CONTRACT IS SIGNED FOR REFINERY AT MINERVA

Local Red Cross Roll Call to Close Thursday

The allotted time for the Fifth annual Red Cross Roll call will end Thursday.

Reports reaching Roll Call Director Walter F. Sharpe, from over the county indicated a failure to raise the quota of \$2500 set for the county in the time allotted.

Committees in the Cameron district are today closing the canvass. Four business and four residence divisions were mapped for the local work. The quota for Cameron is \$800. Additional returns from the canvass are expected to raise the quota. However at this time more than half of the Cameron quota has been raised.

The director of the roll call in Cameron is pleased to acknowledge receipt of a contribution of \$25 from the Cameron Commercial club a contribution of \$10 from the Knights of Pythias lodge in Cameron. It will be remembered that the lodge recently contributed \$25 for the Red Cross flood relief fund.

Where donations are made the entire amount remains in the local treasury. On every \$1 membership 50c goes to headquarters of the National organization.

Miss Beth Jeter director in residence division No. 2 has completed the canvass. J. C. Tucker, director in business division No. 3 has completed the canvass. T. S. Henderson, Jr., has about completed the canvass.

Mrs. W. O. Triggs is director in residence division No. 2. Mrs. C. D. Lay is director in division No. 3 of the residence section, J. A. Evans is director in business division No. 2. All of these directors have their work well advanced and are completing the canvass today.

Mrs. W. O. Triggs reports with the largest contribution to the quota, and her district yet uncompleted.

Marek, in the country adjacent to Yarellon is the first locality to go over the top in the canvass. Tuesday afternoon the quota had been reached and exceeded making the membership larger than for 1920.

Near 100 members were enrolled at the down town booths in charge of Miss Tennie Mae Bass.

"THE TAMING OF THE SHREW" IS LYCEUM NUMBER DECEMBER 1

FAMOUS ELIZABETHIAN PLAYERS IN SHAKESPEARIAN PLAY AT HIGH SCHOOL

The famous Elizabethian players in Shakespear's "The Taming of the Shrew" will appear at the Yoe High school auditorium Thursday night, December 1 in the second number of the Lyceum course.

Announcement is made this week by Prof. L. H. Kidd in charge of the lyceum numbers, of the number December 1. This is a most excellent opportunity for Cameron people to see this great statue production from the immortal Shakespeare.

This number as well as all succeeding numbers of the Lyceum course are big attractions, bringing to Cameron a character of entertainment seldom seen in the smaller cities.

The Lyceum course has been guaranteed here for the benefit of the piano fund in the Yoe high school. A large number of season tickets were sold at the beginning. The price for single admission is below the average for such entertainments.

HERALD OUT EARLY
The Herald is issued today in order that its employees may observe Thanksgiving. Omission of news matter and advertising was necessary to issue the edition Wednesday.

\$6,000 PAID FOR LOTS IN BUSINESS SECTION TUESDAY

J. A. BRISTOL BUYS FREEMAN PROPERTY—PAYS \$1500 FOR HOME SITE.

J. A. Bristol of Oklahoma City Tuesday purchased the J. K. Freeman property in the down town district at the Corner of North Houston avenue and First street, paying \$6000. At the same time Mr. Bristol also purchased the H. B. Harlan residence property east of the Chas. McDermott home for \$1500.

Mr. Bristol will erect a modern business building on the business property and will erect a home on the residence lots. He will move to Cameron and make his home. It is announced that Mr. Bristol will establish an accessory business in the new building.

This is one of the largest real estate transactions involving business property in recent months. Mr. Bristol at the outset of the oil boom in Cameron has come into possession of valuable property.

GRAND JURY RETURNS 22 INDICTMENTS IN MILAM COUNTY

SEVENTEEN FELONIES AND 5 MISDEMEANORS—NO BILL IN MAYSFIELD KILLING.

Twenty two indictments were returned by the grand jury in session for more than a week in a report filed with the district court Tuesday.

Fifteen of the indictments are for felonies and seven are for misdemeanors. No indictment was returned against Sheriff L. L. Blaylock and Ed Adams, deputy city marshal, in connection with the killing of Chas. Holloway at Maysfield early this year. Holloway was shot to death when he resisted arrest being made by the sheriff and marshal.

The following is the report of the Grand Jury: The State of Texas, County of Milam, In the District Court of Milam County, Texas, November term, A. D., 1921.

To the Honorable John Watson, Judge of said Court:

The grand jury, duly organized, empaneled and sworn at the November term A. D. 1921, of the district court of Milam county, Texas, to inquire into and true presentment make of all offenses committed within the body of the county aforesaid, beg to report that we have been in session seven days; that we have examined 208 witnesses, and present herewith 22 true bills of indictment, 15 of which are of the grade of felony and 7 of the grade of misdemeanor.

A greater part of our time has been taken up with the investigation of petty offenses, and we would suggest that the local officers in the various beats and communities more diligently investigate these violations along with graver crimes as they arise, and more rigidly enforce the laws governing the same.

We also desire to call particular attention to the flagrant violations of the traffic and motor vehicle laws throughout the county, both in the cities and towns and in the rural communities. It is apparent that very little attention is paid to an observation of the various statutes governing the speed of automobiles, proper lighting of same, etc., and we recommend that parties violating these laws be promptly arrested and punished. We

(Continued on Page four.)

BRAZOS BRIDGE IS ASSURED; JUDGE MAKES STATEMENT

DIFFERENCE IN METHOD SAYS GILLIS—BOND ISSUE IS IMPRACTICAL.

Application to the state highway department for state aid in the construction of the bridge across the Brazos river at Gause has been made by the commissioners court of Milam county and \$15,000 has been appropriated by the court as the county's part in the construction of the bridge.

The court decided upon a bond issue as a means of handling the appropriation but after investigation by Judge W. G. Gillis it was found impractical to issue bonds because of statutory and constitutional objections. The court then voted unanimously to make the appropriation from the road and bridge fund.

The attitude of the court and Judge Gillis was based upon economic grounds and was therefore justified in its decision when the vote was first taken on the proposed issue of warrants, the finance of the county being taken into consideration as well as the demands for repairs of damage caused by the recent flood.

At no time was Judge Gillis or the court opposed to the construction of the Brazos bridge. The difference arose over the method by which to authorize the construction.

Following the vote of the court on Wednesday at which time the warrant proposal was rejected and the county bond issue decided on as the best method to insure construction of the bridge, protests were made by delegations from the southern part of the county and some clamor was heard for division of the county. This talk was given no credence in informed circles.

The criticism of Judge Gillis and the court is made the more ridiculous by the facts surrounding the court action which have been obtained for publication.

The Rockdale Reporter in an article "The Parting of the Ways" was bitter in its attack on Judge Gillis and the court. This was written, it now appears, without knowledge of the facts and any attempt to bring about a division of the citizens has proven both futile and foolish.

Since Judge Gillis came into office the court has economized and as an achievement of good county government has brought the road and bridge fund to normal and at the same time carried on an unprecedented era of construction.

The Brazos bridge project was brought before the court last fall and the court unanimously agreed that the bridge should be built and the appropriation was made. When the flood swept over the county funns were required to replace bridges and the money was not readily available from the road and bridge fund, if the

(Continued on Page four.)

KEEPING THE RECORD STRAIGHT

Cameron, Texas, Nov. 23th, 1921. Mr. C. F. Drake, Secretary Rockdale Chamber of Commerce, Rockdale, Texas.

My Dear Mr. Drake:

Regarding a press report, bearing a Rockdale date line of November 22nd, 1921, you quote me as follows:

"County Engineer, A. F. Mitchell's latest report to the commissioner's court of Milam county shows that in the past sixty days the sum of \$48,000 was paid out for the road construction in this county, the total having been allocated as follows: North Milam county, Ben Arnold road, \$14,000, Buckholts road \$12,000, Burlington road \$9,800.00, Marlowe \$2,400, Davilla \$800. South Milam county: Rockdale district, \$3,600. Flood repairs for county as a whole estimated \$6,000."

This quotation is in error as follows:

1st, as to total amount paid out, which should have been \$48,300.

2nd, I made no division as to north or South Milam county.

3rd, The sum of \$42,800 of this was paid out of road district funds which funds were voted by the respective road district and were not a county fund.

4th, In your mythical division as to north and south Milam county, you put Marlowe and Davilla in north Milam county. Taking for granted your imaginary line between north and south Milam county to be Little river, will state for your information that Marlowe and Davilla are on the south side of this river.

5th, This was the regularly monthly payments, whereas you state it covered a period of sixty days.

Very truly yours,
A. F. MITCHELL,
County Engineer.

Brothers Unite After 35 Years of Separation

After thirty-five years separation three brothers of the Houston family in Cameron, pioneer residents of the county are now recalling incidents of early days and visiting the old familiar scenes of their childhood around the old Milam county farm east of the city.

J. A. Houston of Lamesa in Dawson county near the border line of the state of New Mexico, arrived in Cameron last week in response to a letter written by Mrs. Hudson Moore telling him of the illness of his brother, A. S. Houston who has been confined to his home with pneumonia. Mr. Houston came to Cameron without notice as the letter was to acquaint him with the condition of his brother and no request was made that he come to the bedside.

The visit of Mr. Houston unites the family, a number of whom have not seen the Dawson county brother in 35 years.

The Houston brothers in Cameron are Sam and A. S. Houston. Two sisters also live in the county and are Mrs. W. P. McDermott and Mrs. C. C. Hill.

The Dawson county brother will remain here for an indefinite time. He will visit the old farm east of town hunt out its familiar spots and get a drink from the old well. He will also arrange to fish some on Little River where he and brothers spent many happy days in the years that are gone.

Only five out of a family of ten children are now living. The reunion has brought many happy hours to the family during the week.

K. P. ROLL CALL MEETING MONDAY NIGHT NOVEMBER 8

LOCAL KNIGHTS WILL ANSWER "PRESENT" AT BIG ANNUAL MEETING.

Knights of Pythias in Cameron will hold their annual roll call meeting in the Castle Hall of Milam Lodge No. 125 Monday night, November 21. Notices for the meeting were sent out Monday by Fred Henry, Keeper of Record and Seals for the lodge.

Monday night the lodge conferred the rank of Knight on Albert and Benny Collins. At the roll call meeting three candidates will receive the rank of Esquire.

A large increase in the membership of the local lodge has been accomplished during recent weeks and the lodge will rank high among the subordinate lodges of the state at the end of the year in point of gain in members.

Members are urged to attend the meeting. Visiting Knights are especially invited to attend.

The lodge gave \$10 to the Red Cross.

CAMERON GETS HEADQUARTERS FOR PLANT—30 ACRE SIGHT IS PURCHASED.

Deed to 30 acres of land to be used for a refinery sight at Minerva and contracts for the construction of the plant were placed in escrow with the First National Bank Monday together with all agreements between the Owners Refining Company of Ardmore, Oklahoma, and the Cameron Commercial Club.

Cameron will be the headquarters for the refining company. This consideration is a part of the contract and a condition on which the thirty acre sight was donated to the refining company. The site was purchased for approximately \$3500. About \$2500 of this amount will be raised by Cameron business men while the remainder of the sum will be raised by citizens and business men of Minerva.

The completion of this contract follows several weeks of negotiation between John S. Owens of Ardmore, and the club. At a meeting of the oil operators Sunday final adjustment was reached and on Monday the papers were drawn up and deposited in the bank. The land on which the refinery is to be located was purchased from John Wallace and lies alongside the San Antonio & Aransas Pass tracks at Minerva.

The refinery will be of 1500 barrel capacity for the first unit of the plant. Mr. Owens left Monday for Ardmore and before his departure gave out the announcement that a large consignment of the material was at Minerva and construction will begin at once. The refinery will be in operation by January 1.

W. A. Jones of Ardmore will be in charge of the refinery.

Offices will be established in the First National Bank building on the return of Mr. Owens from Ardmore, the offices having been contracted for on the completion of the trade for the refinery.

Refinery headquarters have been established in Cameron because of the rail facilities not to be had in any other town in the oil area. Rockdale sought the refinery and offered Mr. Owens a site but Cameron is regarded as a more suitable location for the offices.

In securing this refinery Cameron scores a big way and takes additional lead as the oil center of Milam county. Practically all operators in the field reside in Cameron.

Production in the field will justify the operation of the refinery from the start and with new wells coming in the company will add new units as the demand increases.

The Commercial club has shown itself a champion of the best interests of Cameron by this enterprise and with the location of the refinery headquarters here has turned the tide for greater development.

REV. IRA F. KEY RETURNED HERE BY CONFERENCE

METHODIST PASTOR TO LEAD WORK IN CAMERON FOR ANOTHER CONFERENCE YEAR

Rev. Ira F. Key, pastor of the Methodist church in Cameron has been returned to Cameron for another conference year by the East Texas conference in session this week in Beaumont.

This action of the conference will meet the unanimous approval of the church and the town. He has found a large place in the religious life of the city and as a citizen.

The church now has under construction a building to cost approximately \$100,000 a product of the leadership of Rev. Key and the progressive spirit of his church.

The Herald is exceedingly pleased that Rev. Key has been returned to Cameron for another year.

C. C. Caldwell who has been confined to his home for the past few weeks, was able to be in town Friday to greet his friends.

S. P. Cross

Money To Loan—On farm lands at 8 per cent. No additional charges other than for abstracts, recording and notary fees. Office Over First National Bank, Cameron, Texas.

BUSINESS HOUSES TO CLOSE HERE THANKSGIVING DAY

DAY OF THANKS TO BE OBSERVED THROUGHOUT CITY WITH FITTING SERVICES.

Business houses in Cameron will be closed Thanksgiving day. The city will turn from the busy program of commerce to thanks on this national day set aside for expressions of gratitude for the peace and progress of the nation.

At the morning hour Thursday union services of all protestant religious faiths of the city will be held in the Presbyterian church. Rev. H. R. MacFadyen, pastor of the church will preach the sermon. Rev. Russell C. White, pastor of the Baptist church and Rev. Ira F. Key, pastor of the Methodist church, will join in the service and to assist in the religious program.

The Catholic church under Father Spinneweber will hold a special Thanksgiving service beginning at 9 o'clock.

Religious and social workers are planning to make the day memorable in Cameron. The program will partake of thanks for the progress being made throughout the world for universal peace, taking into account the disarmament conference now in session and called by the United States government.

This and many other causes for thanks will feature the prayers of the people gathered for worship.

Many parties are being formed today for the annual football game between the University of Texas and A. & M. College in Bryan. The Cameron people will motor to Bryan and return at night.

With the exception of the religious services at the Presbyterian church no local program has been planned in Cameron for the day.

TEACHERS' EXAMINATIONS.

An examination for all grades and classes of teachers' certificates will be held in Cameron on Friday and Saturday, December 2nd and 3rd, 1921. The usual fee of \$4.00 will be charged each applicant.

J. F. CHADWICK,
County Superintendent.

UTILITIES REPORT DELAYED, READY FOR FRIDAY NIGHT

CHAIRMAN AVRIETT WILL REPORT TO RECOMMENDATIONS OF THE COMMITTEE.

The report of the committee from the Commercial club to assist the city council in planning a system of municipally owned utilities, delayed from last week, will be made at the meeting of the club Friday night. Chairman Giles L. Avriett is this week preparing the report and stated Monday that it will be made to the club Friday night.

The report was delayed according to Mr. Avriett, on account of consideration of pumping equipment to be installed.

The committee has gone into the matter in a thorough manner and will recommend the system of utilities outlined in the report of the Engineering Service company of Dallas. The company made a survey at a cost of more than \$300 paid by the city council from the public treasury and it is believed the report will serve all purposes in settling the utilities problem.

It is known that the committee as a whole favors a change in the conduct of the public utilities, especially as regards to the water supply.

In view of the previous action of the club it is believed the recommendations of the committee will be adopted.

The bond issue proposed will not increase the taxes of the people as the earnings as figured by the engineers will be sufficient to take care of all bonds and interest.

THORNDALE NEWS

BY FRED M. HERNDON

BREMOND RANCH DEEP OIL TEST TO CONTINUE WORK HERE TO GREAT DEPTH.

In speaking before the directors of the Commercial Club here Monday morning, W. H. Dickinson, president of the company drilling the deep oil test on the Shelby Phillips place on the Bremond Ranch three miles south-east of Thorndale stated that his company had intended to only drill a shallow test here at first and had only secured a small acreage in leases for that reason. After going to the shallow depth without finding oil indications the work was continued to the present level of 2500 feet, and would be continued still further.

Mr. Dickinson further stated the work here was purely wildcat work but as the company had spent so much money in the two former tests and greatly desiring to bring in a field here his company has just spent more than \$5000 more for new drill stem to continue the work on the present location.

The immense amount of money spent by this company has not been justified by the small acreage of leases held by them and to continue further deeper tests would work a hardship upon the company unless they are able to secure more land.

Pointing to the fact the company has no stock and no leases for sale, does not deal in leases and is honest in its endeavor to develop the Thorndale field the Commercial club voted their confidence and assured Mr. Dickinson of any assistance the club could render.

The little church at Conoley was taxed to its capacity last Sunday by the large attendance upon the singing convention which was held there in the afternoon.

Ralph Babcock manager of the deep oil test returned from Houston Friday evening where he purchased a new drill stem for the test well now going down here.

Mr. and Mrs. Ben McIntosh spent Sunday at Lexington and Giddings with relatives making the trip in by auto.

All business houses in Thorndale will be closed Thursday for Thanksgiving day. No announcement of special services at either of the churches has been made honoring the day, and The Champion has not been informed of any other program for the day.

SMALL BLAZE AT WILLIAMSON HOME SATURDAY NIGHT

A small fire at the Gus Williamson home Saturday evening caused considerable excitement for a time, though small damage was inflicted. A part of the ceiling caught fire from the flue but was quickly extinguished by Joe Norris who happened to be at home at the time.

Both Mr. Williamson and Miss Oliver Norris were ill in bed, under the care of physicians at the time of the fire and it was thought for a time they would have to be moved, but this was found unnecessary and the patients stood the ordeal well under the circumstances, and both are reported as much improved today.

LIVESTOCK AND POULTRY FAIR ASSURED FOR THORNDALE IN JANUARY.

At a meeting of the Commercial Club held Monday morning it was definitely decided to hold a two-day live

stock, dairy and poultry fair in connection with the short course to be held here in January by Mr. H. S. Mobley, Mrs. Bertha Dasl Laws and other demonstrators of the International hogs and 100 chickens on every pose of the fair and short course is to stimulate further interest in dairy cows for this section.

Details of the meeting and the two day fair will be worked out by Shelby Phillips, Hardin Camp and Chas. Saller of the Commercial club. The exact dates to be announced as soon as Mr. Mobley's dates here can be set.

Plans for the placing of three cows, four hogs and 100 chickens on every farm in this section is also being worked out by the Commercial club and definite announcement of those plans are expected to be announced at this fair.

THE ONCE OVER.

When Congressman Anderson declared that "farming is 30 years behind every other American industry in modern methods," he probably voiced the belief of a majority of American citizens. At least we know many Thorndale people who hold that opinion. For almost every town or city man will watch the farmer at work and then insist his production would be greater with the use of other equipment. But the fact of the business is the farmer does not spend all he earns on machinery. A modern factory could not be made highly productive by his methods. However, the factory owner usually goes in debt for his plant, expecting it to pay for itself later on. The farmer gets his plant paid for then makes it keep him from year to year on as small an expenditure as possible. He is in a business that has more competitors than any other business in the world. And yet, even though some of his methods may be crude, he makes a success of his business far oftener than many who place so much reliance in modern equipment.

HOPING FOR FAILURE.

We don't believe there is a living soul in Thorndale so little, politically, as to harbor a hope that the disarmament conference will come to naught. And yet we have heard of just such pin-heads in other communities. Our citizens are broad-minded enough to know that the disarmament conference in Washington was called solely with a view to benefitting all humanity, and not for political reasons. They are big enough to hope that it will meet with the greatest success, and that out of its deliberations will come some method, or some suggestion, whereby wars may be made impossible. The coming Thanksgiving should find us praying that it will accomplish the very thing for which it was intended—the restoration of peace to the entire world, and a program that will protect humanity from bloodshed for all the years to come.

START SHOPPING NOW.

Wise shoppers have already started looking after their Christmas purchases, so one Thorndale merchant told us yesterday. And he said it indicates a happier Christmas than we have had. People who buy early, even though they only have the goods laid aside, do so in comfort, and they also get that which they want before it has been pawed over by those who wait until later on when stores are crowded,

for. Christmas stocks are not going to be any cheaper the day before Christmas than they are this week. So you can save nothing that way by waiting until the last minute. Clerks have more time to attend to your wants now than they will have later on. So you are sure of being suited. And then, when the tardy ones are sweating and fuming and working themselves into a nervous fit over what to give for Christmas you will have the satisfaction of knowing that you can sit back and comfortably escape all of such worry. Sensible Christmas buyers are those who have already commenced to do their buying.

SAN GABRIEL GOSSIP.

Nov. 20.—Miss Mamie Kelly is very sick at this writing.

Mr. and Mrs. Sontag and daughter Mable of Bartlett, spent Saturday night and Sunday in the home of Mr. and Mrs. H. E. Felton of this place.

Mr. Terry of Thorndale was called to this place one day last week.

Mr. Goss and family of Granger were visiting in the home of their son Leonard this week.

Mr. and Mrs. Charlie Daniels have moved to Salty recently.

Mrs. Maude Adams was on the sick list last week.

Charlie Modisett of Bartlett was talking to friends here last Saturday.

Mr. and Mrs. Johnnie Edilman and little son Tommie, are visiting in the home of Mr. and Mrs. Matt Lawson of this place.

Malcolm Issac, Misses Zelma Heirch and Ruby Willie were in Lilac last Sunday.

Wilbur Lawson, Jake and Noble Adams were in Thorndale last Saturday.

Miss Ora Yeager who is teaching at Thrall visited in her home here last Saturday, returning back to Thrall Sunday evening accompanied by her

brother and wife, Mr. and Mrs. Joe Yeager.

NOTICE IN PROBATE
The State of Texas.
To the Sheriff or any Constable of Milam county—Greeting:
You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

NOTICE.
THE STATE OF TEXAS,
To all persons interested in the estate of T. Hilderbrandt, deceased, notice is hereby given that Fritz Hilderbrandt has filed in the county court of Milam county, an application for letters testamentary and probate of the last will of said T. Hilderbrandt, deceased, which application

will be heard at the court house in the city of Milam county, Texas, on the 14th day of November, A. D. 1921, at the court house thereof, in the city of Milam county, Texas, at which time all persons interested in said estate, may appear and contest said application, if they see proper. Herein fail not, under penalty of the law, and of this writ make due return.

Given under my hand and seal of office, in the city of Milam county, Texas, the 14th day of November, A. D. 1921.

(Seal) Attest: WILL T. YATES, Clerk County Court, Milam County.

THE AMERICAN CREED.

I believe in the United States of America as a government of the people by the people for the people—whose just powers are derived from the consent of the governed—a democracy in a republic—a sovereign nation of many sovereign states—a perfect union one and inseparable—established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it—to support its constitution—to obey its laws—to respect its flag—and to defend it against all enemies.

LOCAL AND PERSONAL

M. P. Stevens, wife and little daughter of Big Springs arrived in the city Monday on a visit to the family of A. N. Lankford.

Just received a shipment of Japanese prints, lovely for Xmas gifts at the Specialty Shop.

Bed time toys for the little folks at the Specialty Shop.

LOST—One Blue mare mule with white star in face, about 14½ hands high, weight about 1250 pounds. Wire cut on left front foot. About 7 years old. Notify A. D. Henderson, Ben Arnold, Texas, Route 1.

J. A. Houston of Dawson county is in Cameron this week visiting with relatives.

Mrs. and Mrs. J. W. Coleman and Mr. and Mrs. F. J. Beckerman will form a party for the foot ball game between A. & M. and State at College Station for Thursday.

Frank Lesovsky will attend the ball game at College Station Thursday.

Roy Randolph will attend the ball game at College Station Thursday.

Mrs. Bradley of Baileyville visited Mrs. Graham Gillis last week.

Mr. and Mrs. Walter Sharp are going to attend the big game at College Station Thursday.

Mrs. Will Ledbetter of Dallas is the guest of Mrs. Tom Denson and other relatives.

Miss Amy Wade of Belton who has been visiting Mrs. J. C. Tucker, left for her home today.

Mrs. Vernon McIntyre went down to San Antonio to meet Mr. McIntyre and they will spend the Thanksgiving season with relatives.

Miss Helen Cotter of Temple is visiting her sister, Mrs. H. F. Smith.

Mr. and Mrs. Berry of Austin are guests of Mr. and Mrs. Albert Triggs.

Miss Duke of Waco is the guest of Miss Estha Fielder.

Mr. Meriam Rendleman of Georgetown and Miss Willhelmina Burge of S. M. U. at Dallas are guests of Mr. Claud Triggs and will join the large party of twenty six who will attend the big game at Bryan Thursday.

Miss Velda Walker of Baylor is expected home for Thanksgiving.

N. H. Phillips of Crockett is in Cameron today the guest of his brother C. R. Phillips. He is an attorney in Crockett. He formerly taught school at Ben Arnold.

Miss Maurine Messimer of Southwestern university is expected home for this week end.

Mrs. Eugene Smith spent several days of last week visiting her sister in Temple.

Mr. Lesser Newton enroute from Thorndale to Cameron Monday afternoon in his car, in an attempt to avoid a collision with a man on horseback ran into a tree and injured his car and had a narrow escape with his life. Mr. Newton had several bruises and cut about the head, but his condition was not considered serious.

CATHOLIC PROGRAM ON THANKSGIVING

DAY OF THANKS ARRANGED BY CHURCH FOR THURSDAY BEGINNING AT 9 A. M.

To the contribution in last week's issue of the Herald this explanation is given in regard to observance of Armistice day at the Catholic church at Cameron.

Contrary to plans, the local pastor was called elsewhere on clerical duties, and for that reason no services were held. Thanksgiving services will be held at 9:00 o'clock in the forenoon in the manner which prompted the Pilgrim Fathers to thank the Lord for his goodness. Everybody is invited to be present.

B. P. MATOCHA.

FOOTBALL RETURNS BY RADIO FROM BRYAN

Austin, Texas, Nov. 22.—Reports of the Longhorn-Aggie football game on Thanksgiving Day will be received by the radio station of the University of Texas according to announcement of George A. Endress, resident architect and radio director at the University. W. A. Tolson, chief of the radio laboratory at College station will direct the sending of the wireless messages. It is estimated that these reports will reach Austin several seconds before the regular telegraphic reports.

Mrs. R. J. Sloan of San Grove was brought to the Cameron sanitarium for treatment this week.

The little son of Carlos Sloan was carried to the sanitarium Tuesday, having fallen from a tree and broke his arm.

Mrs. John Ryan returned home Sunday from San Grove where she has spent ten days with her parents, Mr. and Mrs. R. J. Sloan.

Mr. and Mrs. Tom Marek visited in the home of their son J. L. Marek.

In China the oldest man in each block of ten houses is made a census enumerator, when a census is taken in the Celestial Republic. On a given day he makes the count and sends the list of his ten houses to the tax office.

OLD YULETIDE CAROLS

"Holy Night" Regarded as One of Most Beautiful Songs.

"Draw Nigh, Immanuel," One of Oldest Pieces and Far Antedates Any Others.

THE ancient Christmas carol, "Holy Night" is German in its origin and is considered by many persons to be the most beautiful of all Christmas carols. It has sometimes been ascribed to Martin Luther, but the consensus of expert opinion is that it is much older than his time and is one of the oldest of German folk songs.

The carol "God Rest Ye Merry, Gentlemen," is English in its origin and dates back to about the beginning of the Seventeenth century, although the author of the words and the composer of the music are unknown. The fine old melody sung to this poem possesses all the best qualifications of a sterling hymn tune and will probably last as long as the verses with which it is always associated.

The carol "Draw Nigh, Immanuel," is one of the oldest pieces of coherent music in existence, and both the words and music far antedate any of the others. The music is an old French melody, dated from the Thirteenth century, although, of course, it has been harmonized to conform with more modern standards.

There is a most curious but beautiful musical effect at the close of this carol. The words of "Draw Nigh, Immanuel," are about 100 years older than the music, being taken from the Mozarabic breviary of the Twelfth century, and it is generally believed that they were taken from the liturgy of the early Christians at Toledo, Spain, where the Mozarabic breviary was formulated.

Another carol, "The First Noel," has a traditional French melody and probably originated in Breton, although the exact origin of this fine old song is somewhat in doubt.

VERY USEFUL
Mrs. Bug—My I am glad I married Mr. Spider. He can carry so many bundles, when I do my Christmas shopping early.

GRAND JURY RETURNS TWENTY-TWO INDICTMENTS

(Continued from page 1.)

especially urge this matter as a protection to human life and for the safety of persons who use and travel the public highways.

We desire to thank our sheriff, our county attorney, and the various bailiffs and other officers who have assisted us in our deliberations and feel that the matters coming to our attention have received fair and impartial consideration.

And now having completed our labors, we ask that we be finally discharged.

Respectfully submitted,
Y. A. GJEDE, Foreman.
Attest, LESSER NEWTON, Secretary

THIEVES ROB HOME OF J. W. COLEMAN; TAKE DIAMONDS

Thieves robbed the home of J. W. Coleman Sunday night taking a diamond lavallier, diamond ear screws and one pearl ring.

The home was entered between the hours of 7:30 and 9:00 o'clock while the family was attending church. Shades were tightly drawn in the room by the burglars who switched on the electric light to make the search.

The wedding ring of Mrs. Coleman was left in the case where the jewelry was kept.

This is the second burglary in the residence district during the past week. Thieves entered the home of Leslie Green last week and took a quantity of clothing.

No arrests have been made in connection with the robberies.

MAREK FIRST TO EXCEED QUOTA IN RED CROSS ROLL CALL IN COUNTY

The town of Marek completed its roll call for the Red Cross Tuesday, the first community in the county to go over the top for this great service organization. The Marek community raised more money than last year, greatly exceeding its quota. Reports to this effect were made to Walter F. Sharpe, county roll call director.

The town of Marek has always gone 100 per cent for all civic and patriotic organizations. All Milam county is proud of this community.

BRAZOS BRIDGE ASSURED; JUDGE MAKES STATEMENT

(Continued from page One.)

policy of keeping up the economy and the fund was to be pursued. In spite of this great disaster not a member of the court agreed that the bridge should not be built.

About one week prior to the meeting a delegation of citizens from south of Little river consulted Judge Gillis. The judge told them that he and the court desired to have the bridge built but told them of the situation. The judge convened the court a day earlier to give them a hearing. Before anything was said by the visitors Judge Gillis told them that the court and all its members were fully convinced as to the necessity for the bridge and were willing to build it, the only question being one as to how to build at this time.

Two plans were before the court. One to issue bonds in the county, the other to issue warrants. The court voted to issue the bonds. Commissioners Reeves and Butts voting for the bond issue and Commissioners Moore and Phillips for the warrant plan. Judge Gillis favoring the bond plan voted with Reeves and Butts. The court then retired and after consultation and after it was apparent the bond plan would be the best, voted unanimously to pursue that plan and make application for the state aid.

On Thursday Judge Gillis consulted the department of the Attorney General and found that the bond plan was impractical. He then rescinded his vote and the court made application for the state aid and the warrant plan was adopted, going before the court and explaining the impracticability of the bond issue.

Statements were made in the Rockdale Reporter charging that Judge Gillis had discriminated against the southern part of the county. This charge is disproved and made ridiculous by the facts. The facts show that during the flood damage repairs of the \$15,277 spent that \$9,920 was spent south of Little river. On last Friday \$15,000 was authorized to be spent south of Little river.

Reports this year show that of the money spent for lumber that \$10,738.16 has been spent south of Little river and \$10,953.89 north of the river.

The public feels that an unjust and

unwarranted attack has been made on Judge Gillis and the court and that in the absence of the facts any feeling that may have been engendered by the vicious statements contained in the Rockdale Reporter has been corrected.

In discussing the matter Judge Gillis said: "I am a citizen of every square inch of soil that lies within the confines of our historic old county and in spite of everything that has been said or may be said I am going to continue to do my duty as God gives me power to see my duty."

On numerous occasions Judge Gillis has made trips to Austin in the interest of road matters south of Little river and on one occasion saved the Milano district \$500 by drawing the papers and making no charges. The record of Judge Gillis is replete with fairness to all sections of the county and his administration has been phenomenally successful.

Now that the facts are known public opinion has severely condemned the attack made on the court.

NO CLUE TO BIG CLOTHING STORE ROBBERY HERE

Officers here are unable to get a clue to the robbery of the Cheeves Brothers dry goods store here three weeks ago when clothing thieves took \$1500 worth of merchandise from the building. The thieves entering from the roof of the store used gloves to cover up their work by evading identification from finger prints. The gloves were found in the store.

No arrests have been made in connection with the dynamiting of the Huffman dipping vat near Cameron in October.

Last week thieves entered the home of Leslie Green and took clothing. Sunday night the home of J. W. Coleman was robbed and diamonds and jewelry were taken.

A. S. Houston who has been confined to his home for the past several weeks from pneumonia is doing nicely and will be up in a short time.

Of the 15,000,000,000 inhabitants on the globe it has been estimated that three die every two seconds, 90 die every minute, 5,595 every hour, 137,736 every day and 50,000,000 every year.

\$48,800 Paid Today For County Road Constructon

The largest regular monthly payment for road construction in Milam county was made Thursday when \$48,800 was paid out of the county funds. County Engineer A. F. Mitchell in a statement compiled today gives the figures. It is estimated that \$6000 of the amount paid out will be for flood damage repairs. The statement is as follows:

New construction:	
Ben Arnold	\$14,000.00
Buckholts	12,200.00
Burlington	9,800.00
Rockdale	3,600.00
Marlowe	2,400.00
Davilla	800.00
Flood repairs estimated.....	6,000.00
Total	\$48,800.00

WATSON BRANCH.

(Delayed from Last Week.)

Dry weather continues to prevail throughout this section, and there is not sufficient moisture to begin farming. The crops are practically all gathered and about all the recreation we have is gathering pecans on the Yeague.

The home of Mr. and Mrs. Bernard Barber was the scene of much merriment Saturday night when in response to invitations, all the younger set and most of the older ones as well, gathered there for a tacky party. Prizes were offered for the tackiest girls, and awarded to Misses Ava Thomson and Blanch Franklin.

Gene Gary, who was attired in true Charley Chaplin fashion, and acted his part as well, won the boy's prize.

Miss Icie Bounds won first prize in the pinning of the donkey's tail contest. All of the costumes were comical in the extreme and we are sure the judges found it difficult to decide on any special ones. Refreshments were served on the lawn.

Miss Mable Peterson of Rockdale attended the entertainment Saturday night and visited home folks until Sunday.

Rev. Dewey filled the pulpit at this place Sunday.

Miss Carrie Kyle was a visitor at our school Thursday afternoon, having come from Hicks to accompany her sister Miss Mary, one of our popular teachers to her home to spend Armistice day with homefolks.

Mr. and Mrs. U. P. Boswell and children were visitors in the home of their uncle J. Z. Locklin of San Gab-

riel who was seriously injured in an accident last week.

Mrs. Emmie Knight and son were visiting relatives here last week from Ellison Ridge.

Misses Jewel Guthrie and Hallie Mundine, who are teaching at Enterprise and Salty, respectfully were with friends here Saturday evening. Guy Ralston from Salty and Leo Berry of the Nile community were in our midst Saturday evening.

A splendid Thanksgiving program is being arranged by the teachers and pupils for the next parent-teachers' meeting which will be on Friday after Thanksgiving.

The many friends of Mr. and Mrs. Ed McWilliams will be glad to learn their little daughter is able to be at home again, after her serious illness at her uncle's home in Thorndale.

J. L. Daniels of Rockdale, was in our community during the week.

Miss Beatrice Peterson has been indisposed for several days during the past week.

Miss Bernice Thompson, a Rockdale high school girl, was one of the "tacks" at the party Saturday evening.

Messrs. D. M. Carter, John and William Tucker were transacting business in Rockdale Monday.

Mr. and Mrs. Ibraia Guthrie, are the parents of a beautiful little girl baby.

Miss Mary Provence is here from Tanglewood, a guest in the home of her sister, Mrs. Scott Brown.

Miss Willine Barber made a week-end visit home, from Cameron, where she is attending school.

Jim Franklin made a hurried trip to

Rockdale, Saturday afternoon.

Horace Smith and wife of the Phears community, motored through our burg Saturday.

Mrs. Ida Miller, left last week to join her husband in Waco, where he is located as a salesman for a stove company.

NATIVE HAWAIIANS TO GIVE CONCERT.

Toots Paka with her native Hawaiian Troupe is to give a concert at San Gabriel school Saturday evening, November 26th. Toots Paka is generally recognized both in her native island home and in this country as the best and most fascinating Hawaiians in American musical concerts. This prima donna and her company have entertained the best audiences in America. Their concert, which includes both vocal and instrumental selections is refined and full of that weird, fascinating, soft and soothing rhythm of the native melodies, peculiar to the folk music of this music loving, music making people. This troupe is, without doubt, the most authentic interpreters of Hawaiian music in America. The ukelelis, steel banjos and Hawaiian music popularity date from Toots Paka's appearance before American footlights. Any of the larger towns are fortunate in securing this notably attraction, especially fortunate is San Gabriel.

MAREK CITIZENS OBSERVE ARMISTICE

REV. KACER OF MARAK HAS SPECIAL SERVICE FOR ARMISTICE DAY.

The patriotic spirit still remains with Father Kacer, pastor of the Catholic church at Marek and the citizens of Marak, as it will be remembered that the citizen in that community always responded freely during the war and on the 11th of November, they all filed out again to thank for what they had accomplished in the past. The High Mass was offered at 10 o'clock and the special prayers were said immediately after Mass. The special prayers on this day was the will of Bishop Byrne of Galveston in which he asked all the clergy in his diocese to hold on this day, however, Father Kacer felt it his duty to hold this special prayers without being asked. His conclusive sermon at 11 o'clock was full of patriotism and said those that participated in the service showed their proper spirit, spiritually and patriotically.

Those attending from Cameron remarked that "patriotism still reigns in Marak church" and it was a pleasure to attend.

Hot Water Each Morning Puts Roses in Your Cheeks

Look one's best and feel one's best. To enjoy an inside bath each morning flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.

TERRELL SEES NO PROSPERITY IN LOW COTTON

SAYS WROE IS WRONG IN TALK
OF GOOD TIMES ON BASIS OF
LONG PAST PRICES.

Austin, Texas.—Commissioner of Agriculture George B. Terrell challenges a statement attributed to H. A. Wroe, president of the American National Bank and printed in a local paper, in which Wroe is quoted as saying:

"Texas has grown rich on 8-cent cotton and can do it again. Diversified farming, backed by intelligent methods, is taking hold of the people. Fewer cattle and better cattle is the ranchman's slogan.

"The banks are sitting steady in the boat and we feel the old ship of prosperity will soon steam ahead and her Texas crew will display an efficiency that will carry the banks of Texas to the harbor of easy times."

In answer to this, Commissioner Terrell stated:

"I heartily agree with the plan of diversified farming and producing better live stock, and practice what I preach in this respect.

"But I can not agree that Texas has grown rich on 8-cent cotton and can do it again. Texas had grown rich in spite of 8-cent cotton, but can never do it again under present conditions. Many things have contributed to the wealth of Texas besides 8-cent cotton, and cotton at that price had contributed more wealth to the East than it contributed to Texas or the south.

"When cotton sold at 8 cents domestic and calico sold at 5 cents per yard and other goods in proportion.

"Dressed beef and pork sold at 3 or 5 cents and able-bodied laborers worked for 50 cents per day.

"Does Wroe hope to see such conditions again? They will likely never come, and I trust they will not. Cotton cannot be produced at a profit under present conditions for less than 20 cents per pound, and the farmers must learn to sit steady in the boat and refuse to produce for less than the cost of production.

"The banks of Texas may reach the harbor of easy times on 8-cent cotton (which I doubt), but the farmers, never."

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

Grove's Tasteless Chill Tonic restores vitality and energy by purifying and enriching the blood. You can soon feel its strengthening, invigorating effect. Price 75c.

OLD-TIME COLD CURE— DRINK HOT TEA!

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia.

Limber up! Get a 35 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

Elephant, Amuck, Slain at Orange After Night of Terror for Citizens

Orange, Texas, Nov. 22.—A night of terror in which armed men, mounted, afoot and in automobiles, scoured the country surrounding Orange, came to an end shortly after daybreak today with the killing of "Floto," a \$20,000 bull elephant which had run amuck and escaped from a circus showing here Friday.

Waving an uprooted telephone pole in his trunk, the enraged elephant died in a last desperate charge upon the scores of hunters who had trailed him from the city, falling to his knees with more than 300 bullets in his great body.

Before its departure from the circus lot the elephant struck Harry Watson, 50, a resident of Orange, hurling him against a telephone pole, breaking three ribs, spraining an ankle and inflicting numerous lacerations about the head. Watson's condition is not considered serious.

During the night, following his escape from the circus lot, the elephant was twice reported seen the first by a boy crossing a railroad trestle over the bayou and later by a resident of a farm house on the edge of the city.

The boy, seeing the pachyderm looming through the darkness on the trestle ahead of him, jumped to safety in the marsh, giving the huge beast the right of way as it lumbered onward toward the open country. Later in the night the elephant attacked and destroyed the gallery of a farm house, only to be driven away when the occupant fired several pistol shots at the beast's head.

Several hundred men took up the pursuit of the elephant with the coming of daybreak and it was soon located about three miles from the city, in the western edge of the West Orange addition. Hundreds of shots were fired and fully 300 bullets took effect before the great animal was brought to his knees. Sheriff J. W. Helton

is credited with having fired the finishing shot in the miniature war against the invader from the wilds.

Within an hour after the death of the elephant at least 2000 persons had gathered to view the body and assist in cutting it into bits for souvenirs, bringing to a close the most exciting 12-hour period in the history of the city.

To Stop a Cough Quick

Take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 50c.

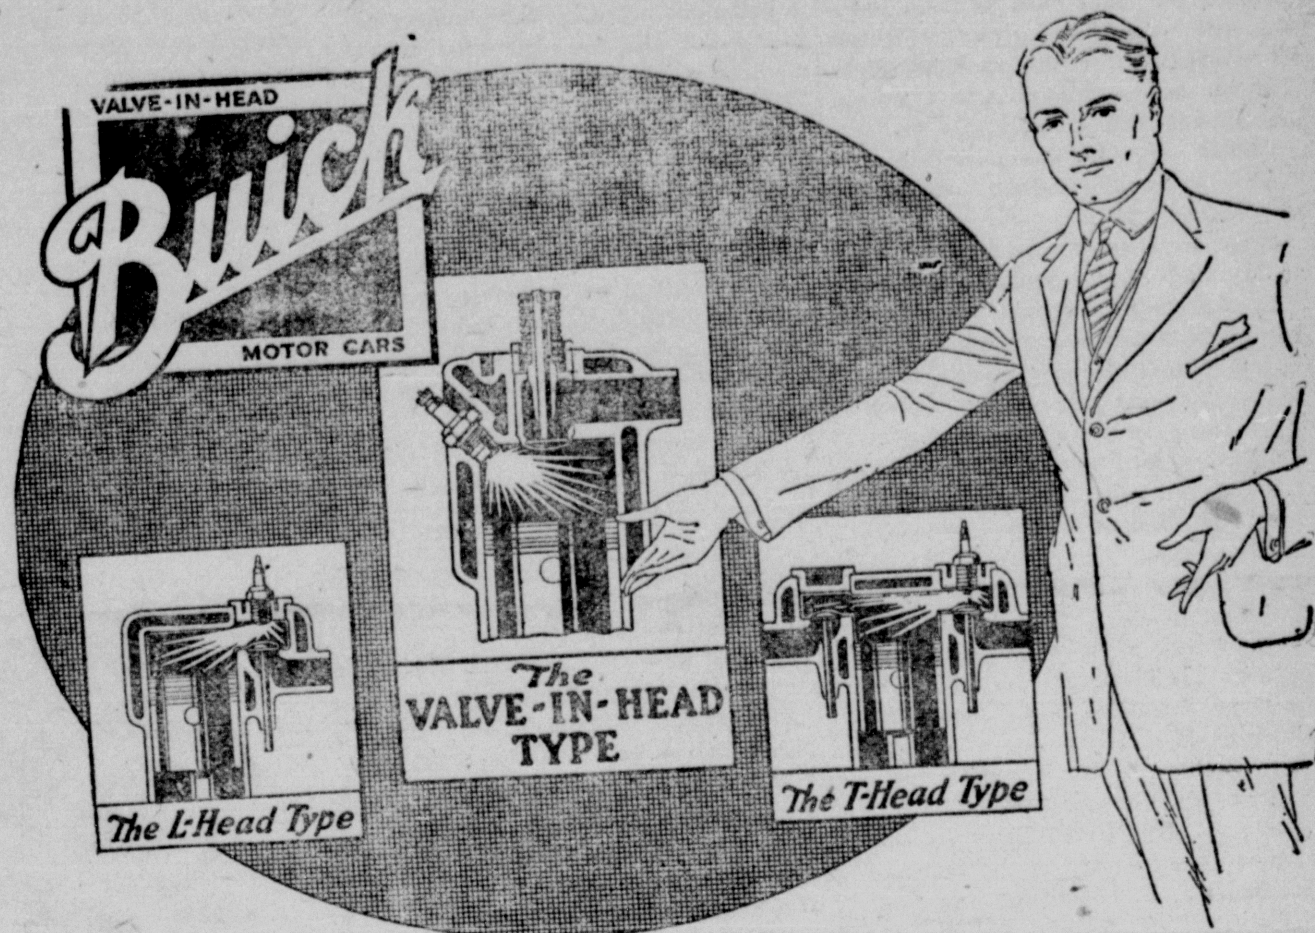

Just ask your druggist for HAYES' HEALING HONEY.

Why Buick Valve-in-Head Motors Have More Power

Internal combustion motors are heat engines. The more heat retained in their cylinders, the more power they generate.

Water-jacketing space absorbs heat.

Buick Valve-in-Head motors have about 20% less water-jacketing space than the L Head type and about 15% less than the T Head type.

That is one of the reasons why Buick Valve-in-Head motors have more power.

THORNDALE NEWS

BY FRED M. HERNDON

COUNTY JUDGE REVERSES ACTION ON PETITION AFTER TALK WITH ATTY. GEN.

Judge W. G. Gillis of the commissioners court in Milam county ended a complex and irritating situation late Thursday, when he reversed his vote of earlier in the day and cast it for granting the application made to the state highway commission for a bridge across the Brazos near Gause.

After the early action Wednesday in which the petition was denied, there was great indignation among representatives of the south part of the county, and considerable talk of a move to divide the county, but the action of Judge Gillis smooths out the tangles, for the time at least.

Judge Gillis will sign and send in the application, with the accompanying guaranty of Milam's allotment of \$15,000. The cost of the bridge is set at \$125,000, half of which is to be borne by the federal government in assisting the completion of the Reagan subdivision of the East and west highway, which eventually is to become an important link in the Bankhead highway.

The Reagan subdivision has been designated by the state commission and allotments made for it. This highway runs in almost an airline from Texarkana to San Antonio thence to the border, and will be used by the federal government as a military highway.

Mass meetings which soon turned into indignation meetings were held all over the southern end of Milam county Thursday, and plans were laid to open a fight for secession and to be formed, with that part lying south of Little River.

NEGRO MINSTREL AND BOX SUPPER AT LOCAL HIGH SCHOOL FRIDAY.

An old time negro minstrel, follow-

ed with a box supper will be held at the school auditorium Friday evening at 7:15 by the pupils of the school.

This program has been arranged in order to raise funds for the purchase of new records for the Victrola and to raise Thorndale's assessment of the school legislation fund of the Texas Teachers permanent fund. Thorndale is the only school in the state which raised its quota to this fund last year and it is planned to go "over the top" again this year.

TEXAS COTTON CROP IS NEAR MILLION BALES SHORT

The Texas cotton crop is near one million bales short as compared with the crop of 1920. Figures announced by the Department of Commerce through the bureau of census show that the Texas cotton crop on preliminary count for 1921 is 1,930,266 bales while the 1920 crop was 2,901,057. All figures are for prior to November 1.

The Milam county cotton crop is as follows: For 1921 a total of 20,588 and for 1920 a total of 63,255.

PARENT-TEACHERS' TO EQUIP HIGH SCHOOL WITH FIRST AID.

Beginning its winter activities the Parent-Teachers association is equipping a room at the high school building with two beds and necessary first aid paraphernalia and has arranged with Miss Stella Carter, county health nurse for a series of fifteen lectures on first aid and nursing to be given before the association and girls of the high school.

The association is also planning the building of a cement walk from the music room in the rear of the Baptist church across the school campus to the high school building. This is a laudable undertaking and will meet with the favor of patrons as well as pupils.

The I. & G. N. and Santa Fe railroads have put on a new through train from San Antonio to the north. The northbound train passes through Thorndale at 12:33 in the morning and the southbound train passes here at 3:55 a. m. As neither of them stop in Thorndale and both pass during the early morning hours they will attract little attention and prove of no particular value to our citizenship. The new trains started Sunday. This is a new train and does not disturb other trains which maintain the old schedules.

The many Thorndale friends of Steve Hearne will be pleased to learn that he is connected with a bank at Edinburg, Texas, in the magic Rio Grande valley section. Steve was with the Thorndale State Bank for a long while and has many friends here.

Elwood Christian formerly with the First National bank of this city now holds a responsible position with the South Texas National bank at Houston. This will be good news to Elwood's many Thorndale friends who wish him every success in his new home.

Rev. F. H. Stelzer and family returned home Friday from a very pleasant motor trip to the coast. Rev. Stelzer presented The Champion one of the famous coast oranges or tangerines from the Palacios section.

Mr. and Mrs. Arthur Longmire and children left Monday for Rockdale where they will make their future home on the family home place on route two. Mr. Longmire has for some time been manager of the Whalley store here. Their many Thorndale friends regret their moving but wish them success and happiness in their new home.

Lum and Harry Ricketson with their families were Thorndale visitors last week, guests of Mr. and Mrs. W. D. Burkhardt.

W. H. Dickinson of Minneapolis, president of the Bremond Ranch Syndicate arrived in Thorndale Friday evening to spend a few days with Manager Ralph Babcock on the deep test for oil on the Shelby Phillips place southeast of the city.

NOTICE TO CONTRACTORS.

Sealed proposals addressed to Giles L. Avriett, for the improvement of Milam county, will be received at the office of Giles L. Avriett at Cameron, Texas, until 2 o'clock p. m. November 18, 1921, and then publicly opened and read.

Description of Work to Be Done
Rebuilding 134 feet wood trestle bridge over Donohue creek, also 90 feet wood trestle bridge over Mill branch.

Detailed plans and specifications of the work may be seen for examination and information may be obtained at the office of A. F. Mitchell at Cameron, Texas.

A certified or cashiers check for 5 per cent of bid made payable without recourse to the order of W. G. Gillis, county judge of Milam county, must accompany each proposal. The right is reserved by Milam county to reject any and all proposals or to waive all technicalities.

GILES L. AVRIETT,
Auditor, Milam County.

NOTICE IN PROBATE

The State of Texas,
To the Sheriff or any Constable of Milam County, Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publica-

tion before the return day hereof:

NOTICE.

THE STATE OF TEXAS.

To all persons interested in the estate of D. L. Berry, deceased, notice is hereby given that Janie Berry has filed in the county court of Milam county, an application for letters of administration upon the estate of said D. L. Berry, deceased, which will be heard at the next regular term of the county court of Milam county, Texas, to be held on the first Monday in December, same being the 5th day of December A. D. 1921, at the court house thereof, in the city of Cameron, Texas, at which time all persons interested in said estate may appear and contest said application, if they see proper.

Herein fail not, under penalty of the law, and of this write make due return.

Given under my hand and seal of

office, in the city of Cameron, Texas,

the 9th day of November, A. D. 1921.

Attest: WILL T. YATES,

(SEAL) Clerk County Court,

Milam County, Texas.

By Mrs. K. K. ROBBINS, Deputy.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 75c.

Excellent COFFEE SHOP serving the best of foods at reasonable prices.

Pierre Pelletier Presents

THE ELIZABETHAN PLAYERS

In Shakespeare's

"The Taming Of the Shrew"

Yoe High School
Auditorium

Thursday Night
December 1

"The Taming of the Shrew," in its original form, is too long for the modern stage, and although "a very excellent piece of work," its audience, imitating the example of Christopher Sly, might well wish that "Twere done." The often sorely tried patience of the audiences of David Garrick's time, even, were unequal to this feat of endurance, and thus it was that this comedian applied to it the pruning knife and produced the comedy known as "The Taming of the Shrew." The full text has rarely been heard from the stage since Shakespeare's time, having been supplanted by Garrick's version. The abridged form of Garrick's version offered by The Elizabethan Players, does not deprive this beautiful play of its interest, nor of its story in its entirety. The appearance of Katherine and Petruchio are brought nearer together and left almost intact.

It was the custom in the Bard of Avon's time, known as the Elizabethan period, to produce his plays without scenery, only tapestry hangings were used for a background and the description of the scenes were written upon placards and displayed so that the audience could read what was to follow. The Elizabethan Players will follow his manner of presentation as closely as possible. The play has been personally directed by Mr. Pelletier, and the requirements of the lyceum have been fully kept in mind.

THE PLAYERS:—Mr. Pelletier is a young actor of personality and ability. Formerly associated with Sothern and Marlowe in their Shakespearian production, also with Mrs. Fiske, Mr. Leo Dietrichstein, Mr. Wilton Lackaye, Burr McIntosh, Mrs. Stuart Robson and Miss Virginia Harned. He has had extensive experience both as leading man and director of many stock companies in New York, Boston, Philadelphia, Montreal, Brooklyn, Newark and many other cities. For four years he was one of the principal members of "The Man of the Hour," having toured the United States and Canada from coast to coast with the great New York success, and also one of the original members of "The Prisoner of Zenda." He is a graduate of the New England Conservatory of Music, College of Oratory, of Boston, and also a graduate of the American Academy of Dramatic Arts, of New York City.

Mrs. Pelletier has had an extensive professional career. Upon graduating from the American Academy of Dramatic Art, of New York, a very high class school connected with Mr. Charles Frohman's Empire Theatre on Broadway, she served her road experience as leading lady with companies playing "Madame X" and "St. Elmo," and afterwards was promoted to stardom playing "Mary" in "What Happened to Mary." Then followed seven years of success under Mr. Pelletier's management, playing from coast to coast on the B. F. Keith and Orpheum circuit of theatres in all the largest cities.

Space will not permit us to give in detail the successes of each of the supporting members, for which the management expresses its regrets. However, all are ladies and gentlemen of culture, personality and training, qualifying them to assume the responsibility of their roles.

EDWARDS LYCEUM CIRCUIT.

The Poor Inventor!

The originator of an idea has wasted his time unless he is able to interest some one else in his creation—unless that someone else can enjoy it or benefit by it. It is because thoughts are so freely radiated—so easily exchanged and spread broadcast—that this country is a fine place to live in.

Consider the advertisements in this paper. They are thoughts. Many of them are thoughts conceived with you in mind—thoughts for your comfort—your pleasure—your health—your satisfaction. Thoughts that will save you time and money. Do you take full advantage of them? Advertising is the voice of American business.

METHODISTS RAISE \$46,000 DURING CONFERENCE YEAR

CHURCH NOW HAS MEMBERSHIP
OF 540—PASTOR TO BEAU-
MONT CONFERENCE.

During the conference year just closed the Cameron Methodist church raised for all purposes a total of \$46,000 bringing to a close a most successful year.

In the conference year 55 have been added to the church by faith and 64 by letter. The church now has a membership of 540.

Rev. Ira F. Key pastor of the church is in Beaumont this week attending the annual conference of East Texas.

The church at Cameron has made progress in every department under the leadership of Rev. Key who as a pastor and citizen has been given a large place in the hearts and affections of the people. He is a minister of progressive methods and has made his church attractive and popular as well as given it character and spiritual strength.

The people of Cameron are asking the conference to return him to this work for another year. The church under his leadership now has under construction a church building costing approximately \$100,000. Work on this church has been suspended during the financial stringency but will be completed next year. It is one of the finest church buildings in this section of Texas.

AROUND THE COURT HOUSE

The grand jury for the fall term of court convened Monday morning, Nov. 14th. Mr. Y. A. Gjedde of New Salem was chosen as foreman with the following other members.

J. W. Coleman, Cameron.
J. L. Barmore, Cameron.
H. P. McKinney, Jones Prairie.
Lesser Newton, Milano.
S. M. Corley, Buckholts.
B. B. McAnulty, Sandy Ridge.
H. E. Felton, San Gabriel.

Pains Were Terrific

Read how Mrs. Albert Gregory, of R. F. D. No. 1, Bluford, Ill., got rid of her ills. "During... I was awfully weak... My pains were terrific. I thought I would die. The bearing-down pains were actually so severe I could not stand the pressure of my hands on the lower part of my stomach... I simply felt as if life was for but a short time. My husband was worried... One evening, while reading the Birthday Almanac, he came across a case similar to mine, and went straight for some Cardui for me to try."

TAKE

CARDUI

The Woman's Tonic

"I took it faithfully and the results were immediate," adds Mrs. Gregory. "I continued to get better. All my ills left me, and I went through... with no further trouble. My baby was fat and strong, and myself—thank God—am once more hale and hearty, can walk miles, do my work, though 44 years old, feel like a new person. All I owe to Cardui." For many years Cardui has been found helpful in building up the system when run down by disorders peculiar to women.

Take
Cardui

L. E.

J. A. Mann, Yarrelton.
A. E. McLendon, Ben Arnold.
Arthur Scruggs, Thorndale.
District Judge John Watson charged the jury to make close investigation of each and every violation of the law, and urged that each officer co-operate with the jury.

D. A. McLane was appointed as door baliff. Already quite a number of witnesses have been examined.

The case of C. V. Compton vs. O. P. Baird, trespass to try title has been set for Dec. 13th.

Rose Wilson et al vs Mrs. C. Hudson Coffey et al trespass to try title and damages, set for Dec. 19th.

San Antonio Brewing Association vs. W. F. Young, et al, set for Dec. 21st.

Mary Irby vs Aubry Irby trespass to try title and damages, dismissed.

Mrs. Fannie Hudson vs Mrs. Claudie Hudson Coffey, partition, set for Dec. 21st.

W. W. Quisenberry vs. Texas Plains Syndicate Co., damages, set for Dec. 22nd.

J. C. Davis, guardian vs. Mrs. Ida Jeness, judgment for partition, Leonard Issacs appointed receiver, bond fixed at \$500.

First National Bank vs. Gordon Thompson et al, suit on note, judgment by default for amount sued for and foreclosure of lien.

First National Bank of Thorndale vs. H. E. Felton et ux, debt and foreclosure, judgment by default for amount sued for and foreclosure of lien.

The criminal docket will be called for Nov. 28th. There have been no settings as yet.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy.

Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment. Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GRAND JURY BEGINS INVESTIGATION OF CONDITIONS HERE

JUDGE WATSON CHARGES JURY
ALONG USUAL LINES—FEW
INDICTMENTS EXPECTED

The grand jury impaneled in the district court Monday began its investigation following a charge by Judge John Watson. The charge of the Judge was along the usual lines, no specific requests for investigations being made of the jury. In the absence of lawlessness so prevalent in other sections of the country, it is believed that few indictments will be returned.

The grand jury is expected to go into an exhaustive investigation of alleged violation of the liquor laws and other kindred violations. The jury will also, it is understood, report on the matter of the killing of Chas. Holloway at Maysfield in the summer. Sheriff L. L. Blaylock and Assistant City Marshal Ed Adams are under bond to await action of the jury.

The shooting occurred when Holloway resisted arrest and after he had drawn a pistol and fired on the officers.

LILAC LOCALS.

(Delayed from Last Week.)

Here we are again after several weeks' absence. Most of us have been very busy trying to get our cotton out before bad weather comes.

Hugo Feussell had business in Cameron Saturday last.

Fred Graves and family of Rockdale were visiting his brother Rufus and family Sunday last.

Charlie Paret and family of Bartlett were in our community Monday.

We are glad to report a good school in Lilac with Mr. Teagel and Miss Willie as teachers. Our literary society Thursday night was well attended. This was the first of this work that our school has ever had and we are sure glad Mr. Teagel has taken this much interest in our school.

Our prayer meeting was well attended Sunday night. Mr. Adolf Teagel, our teacher conducting the services.

Scott Baldrige of Rockdale was in our midst the past week.

A. C. Outlaw of Houston was looking over his farm the past week.

Some of our folks killed hogs the past week.

S. W. Thorp passed through our berg the past week enroute to Cameron with cotton.

Jim Richmond was in Cameron the past week.

Lee Applin and wife were trading in Cameron the past week.

B. H. Bolton has been helping his brother, Jinks Bolton build a new house at Sharp.

H. H. Moore was looking over the roads in our midst the past week.

BUICK RETAINS ENVIABLE POSITION IN AUTOMOBILE WORLD

In the automobile world, Buick several years ago attained the enviable position of leadership, evidenced by the fact that it was awarded first choice of space at the national automobile shows, an honor conferred upon Buick by all other automobile manufacturers who are members of

the National Automobile Chamber of Commerce, in recognition of the fact that Buick had done the greatest volume of business during the previous year.

As each year has since rolled around Buick has been in the lead. Not only for a short period does it lead all others but year after year its business constantly increases, with the result that the Buick exhibit will be found this year occupying the same space at the shows it has occupied for the past few years.

It is significant to note that the figures on which the award for the 1922 shows were made comprised only the sales of six cylinder cars, proving Buick to be the largest builder of six

cylinder cars in the world.

DON'T RISK NEGLECT.

Don't neglect a constant backache, sharp, darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills as have your friends and neighbors. Ask your neighbor? A Cameron case.

A. S. Mosley, Travis street, says: "My kidneys were very irregular in action. The trouble was gradually becoming worse, when I commenced using Doan's Kidney Pills. Before long my back stopped aching and my rest at night was undisturbed. I couldn't expect any more pleasing results than I had from this medicine." SIXTY YEARS LATER, Mr. Mos-

ley said: "I always recommend Doan's Kidney Pills to anyone I hear complaining of kidney trouble. I use them occasionally as a tonic and they keep my kidneys in good order."

CAMERON, TEXAS

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

JAMES F. BALLARD, Prop., St. Louis, MO.

"WAR MUST DIE" SAYS CULLEN THOMAS IN FT. WORTH SPEECH

SENATORIAL CANDIDATE WIN-
NING HEART OF TEXAS BY
STAND ON BIG ISSUE.

L. M. Aldridge in Dallas World.
"Slavery died; dueling died; lot-
teries died; liquor is in its death
throes, and war must die," shouted
Hon. Cullen F. Thomas in an address
on "Dis armament" at the First Me-
thodist Church in Fort Worth last
Sunday night.

Prolonged applause greeted this
climax of an eloquent speech that had
held the audience for an hour and 20
minutes, and when Mr. Thomas had
finished speaking practically everyone
in the crowd pushed forward to shake
his hand and thank him for his ex-
pression of American ideals.

It was my first opportunity to hear
Cullen Thomas and to study his style
of oratory, so I wedged my way into
the front seat. The speaker entered
while the orchestra was playing
"America" and at the close of the
hymn took his seat by the side of
Rev. Dr. Frank P. Culver, pastor of
the church. His first move was to
ask Dr. Culver for a Bible to refresh
his mind regarding Isaiah's prophe-
cy concerning the end of war, when
swords would be beaten into plow-
shares and the spears into pruning
hooks, which was the text of his ad-
dress.

A Methodist Tribute.
Some days before a prominent
Methodist pastor in Texas had said
to me: "To my mind Cullen Thom-
as is the most eloquent man I have
heard in Texas. He has the happy
combination of deep thinking
couched in eloquent and beautiful
English."

Naturally, I was thinking of that
estimate of the man with the grizzled
head and small, finely formed hands
that sat quietly on the platform.
"I hope no unworthy word of senti-
ment will fall from my lips," be-
gan he as if striving to observe the
old rule of oratory—begin low, speak
slow, rise higher, take aim, fire.

For the first 20 minutes I thought
my preacher friends has overesti-
mated his man. But ere long I
learned that Cullen Thomas was mere-
ly wooing an audience into a train
of thought that soon had them cheer-
ing every climax and wishing that war
might be swept forever from the
earth.

It has been my good fortunes to
hear some of the peers of the politi-
cal platform like Harding, Bryan,
Roosevelt, Reed, Folk, and Gore. I
have seen pulpit orators such as
Bishop Quayle, Gunsaulus, Bishop
Galloway, Cadman and Truett sway
audiences, but none of them ever
more completely carried his point
than Cullen Thomas did with that
speech on "Disarmament" before a
Sunday night church crowd.

Some months ago this paper car-
ried the announcement that Hon.
Cullen Fleming Thomas would be a
candidate for the United States sen-
ate. "I want to go to the senate,"
he said in that announcement, "to
give battle for the week against the
strong; for human needs against or-
ganized greed; for the rights of
men against arrogant privilege—not
as a beggar for small favors or
selfish interests, but as a voice for
the hard-pressed, everyday men and
women of Texas."

In the United States senate a man
must "measure swords" with the best
orators in America. Many in the
Sunday night audience went away
feeling, although he uttered not a
word about politics or the senate,
that Cullen Thomas would be "at
home" to all comers in that august
body, should the people of Texas
choose him to represent them.

David Crockett, Sam Houston and
Daniel Webster fired the imagination
of Cullen F. Thomas when he was a
poor boy on a lean farm in Tennes-
see. David Crockett was an insti-
tution in that part of the country,
and from the neighborhood in which
Mr. Thomas was born and reared he
came to Texas 50 years before and
poured out his blood for freedom at
the Alamo. Frontiersman, bear hunt-
er, congressman, rough and ready
story-teller and campaigner was
David Crockett.

Around the life of overnor Sam
Houston was woven a strain of ro-
mance that appealed to young Thom-
as quite as much as the unique car-
eer of Crockett. And added to these
two Tennessee celebrities was the life
of Daniel Webster, poor New England
farmer boy, who became America's
greatest orator, and whose biography
was one of the volumes in the Thom-
as home in those days when books

were rare. The patron saints of this
poor but ambitious Tennessee boy
were orators and statesmen and sol-
diers. Thus it is not to be wondered
at that through their influence he
took an interest in public service and
resolved to make sacrifice for the good
of his fellowmen.

Born in Tennessee.
Born near Rutherford, Tenn., two
miles from the David Crockett farm,
Cullen Thomas walked three miles to
a country school that had old-fash-
ioned split-log benches and whose
only writing desk was a wide board
running entirely around the room.

Shortly before finishing the Ruth-
erford high school, young Thomas re-
ceived the appointment to the United
States Naval Academy at Annapolis
in a competitive examination held in
his congressional district. He was
then 16 years of age. For three
years he studied in the same class
with Richmond Pearson Hobson. To
this day he carries a scar on his
right hand received in a hazing contest
in the school where officers for the
United States navy are made.

But the ambition to be a lawyer
would not down and he voluntarily re-
signed from the academy and went to
Valley Mills, Texas where he taught
school for one year. In this Texanic
town he acquired the title of "prof-
essor," and the folk there still so ad-
dress him.

With the savings of that year he
entered the law department at the
University of Texas and two years
later graduated with first honors in
his class. While a student in Aus-
tin he was editor-in-chief of the Uni-
versity magazine, president of the
Athenaeum Literary Society, and won
the debater's medal for being the
best in the University. As the first
honorary man he delivered the graduat-
ing address.

Hon. William L. Prather, then a re-
gent and afterward president of the
University of Texas, was on the plat-
form and heard this commencement
address. He congratulated young
Thomas and requested an interview
that afternoon. Colonel Prather in-
vited the young graduate to enter his
law office in Waco. He went to Waco
and became editor of the "Central
Texas," and this gave him a state-
wide acquaintance. This paper was a
supporter of Hon. James Stephen
Hogg for governor, and the first
vote that Cullen Thomas cast helped
to elect Governor Hogg. Soon after
that historic campaign he sold the
paper and entered into partnership
with Colonel Prather.

Cullen Thomas "broke into the big
league" in politics by becoming a
candidate for the legislature, to
which he was elected as the second
youngest member of the body, serving
two years.

Back in 1897 an attempt was
made to hold the Corbett-Fitzsim-
mons prize fight in Dallas. In fact,
the arena had been started and all
eyes of the sporting world were turned
toward the Lone Star state. A spe-
cial session of the legislature was
called and Cullen Thomas was a leader
in enacting a law prohibiting prize
fighting on Texas soil.

Mr. Thomas left the legislature to
become county attorney of McLen-
nan county, which contains Waco.
This office he held for three terms
in the stormy days when there was
"something doing" practically all the
time.

For many years he has been an
outstanding figure in Texas demo-
cratic conventions. At San Antonio
in 1912 he was the center of one of
the most spectacular fights between
the wets and dries ever staged in the
State of Texas. Mr. Thomas was the
leader of the dry forces and for three-
quarters of an hour he was refused the
right to speak in the convention. Pan-
demonium reigned; bands played; an
effort was made to take Mr. Thomas
from the platform by physical force.

During this uproar he gained the
audience and delivered one of the
most blasting, biting, blistering ar-
raignments of the liquor traffic ever
heard from the lips of an orator in
Texas. His battle at San Antonio is
unequaled in the history of Texas con-
ventions, not even excepting a simi-
lar fight when Governor Hogg won
the day at Waco.

That Cullen Thomas retains his at-
titude toward the liquor traffic may
be gained from his speech Sunday
night, when, on being told that a cer-
tain man in the East was contemplat-
ing leaving the United States to live
in England because his "personal lib-
erty" was interfered with here, point-
ing to an American flag in the church,
he shouted "Let every man who loves
a bottle of liquor better than he loves
the American flag get out of the Uni-
ted States and stay out." (Prolonged
applause.)

Mr. Thomas was a delegate from
Texas to the democratic national
convention at Kansas City in 1900 that
nominated Bryan, to the Baltimore
convention in 1912, that named Wood-
row Wilson, and to San Francisco last

year when Cox became the standard-
bearer.

Love and romance have twice wing-
ed their way across to the career of
Cullen Fleming Thomas. While yet a
university student, he married Miss
Maude Moore, a graduate of Mary
Baldwin College for Women in Virgi-
nia. To them a daughter, Miss Mar-
garet Thomas, was born. Mrs. Thomas
passed away three years later.

In 1913, 12 years later, Mr. Thomas
married Miss Olga Sheppard, sister of
United States Senator Morris Shep-
pard, at Sulphur Springs. The pres-
ent Mrs. Thomas is a graduate of
Randolph-Macon College at Staunton,
Va., and Columbia University, New
York. Their honeymoon was spent on
a tour of several months to Europe,
during which time they visited Eng-
land, Scotland, Belgium, France, Swit-
zerland, Holland, Germany, Italy and
other countries. Two children, Cullen
Sheppard 6, and Elizabeth Cowan, 4
have come to add happiness to their
home.

Extracts from speech of Cullen F.
Thomas on "Disarmament."

"Slavery died; dueling died; lotter-
ies died; liquor is in its death throes,
and war must die."

"When the heart of the world is
right it will solve the war problems.
How? By the teachings of the Prince
of Peace, who walked this earth and
spoke as never man spake."

"It was the darkest day in American
history when some wilful senators
stabbed to death the league of na-
tions. It was not so when Woodrow
Wilson spoke the ideals of America
and the women of France kissed the
cheeks of American soldiers who had
come to save them."

"I don't want my boy to die for the
Island of Yap, eight miles square. As
I love my boy, who is now six years
old, and you love yours, we will stand
together to prevent the folly of war
with Japan."

"If the nations of the earth can
make Germany disarm, why not dis-
arm themselves? If it was good to
sink the kaiser's navy, why not sink all
the others?"

"Out of the last war 16,000 million-
aires were made who fattened on blood.
I would make the profiteers disgorge
and pay their part of the burden."

"Today the human mind is stag-
gered by the bleakness and blackness
into which the world may be hurried.
Was it for this that in the beginning
God created the earth; that in the be-
ginning he created man and blew into
his nostrils the breath of life?"

"It will be a great day when Amer-
ica reverses her course and spends
1 per cent for war and 26 per cent for
humanity."

"But don't get the idea that I'd al-
ways turn the other cheek. I'm not a
mollycoddle or a pacifist. I have too
many scars on me for that."

"I think the time has come for all
races of men to be highly resolved to
put behind them the things that have
been and press forward to the high
mark of better things for the human
race."

"There has been but one year of
peace for 13 years of war on earth
since history began to be recorded."

"This armament question has not
had so much space in the public press
as a nauseating scandal on the Pacific
coast or when 90,000 people paid
\$600,000 to see a prize fight in Jersey
City."

"I visited the tomb of Napoleon in
France. By a popular vote of the
French people Pasteur was voted the
first among great Frenchmen and
Napoleon third. In the days to come
monuments will be erected to the Pas-
teurs who save life, and not to the
Napoleons who destroy life."

"America's war debt would give
\$10,000,000 to every county in the
United States for education."

"United States discovered Japan,
unlocked her ports and gave her all
the civilization she has. Let the
strong guide the weak."

666 is a prescription for Colds,
fever and la grippe. It's the most
speedy remedy we know. 28 1st adv.

There is more Catarrh in this section
of the country than all other diseases
put together, and for years it was sup-
posed to be incurable. Doctors prescribed
local remedies, and by constantly failing
to cure with local treatment, pronounced
it incurable. Catarrh is a local disease,
greatly influenced by constitutional con-
ditions and therefore requires constitu-
tional treatment. Hall's Catarrh Medi-
cine, manufactured by P. J. Cheney &
Co., Toledo, Ohio, is a constitutional
remedy, is taken internally and acts
thru the blood on the mucous surfaces
of the System. One Hundred Dollars re-
ward is offered for any case that Hall's
Catarrh Medicine fails to cure. Send for
circulars and testimonials.

THE MAN WHO SAVES YOU MONEY.

THE FELLOWSHIP THAT MAKES FOR A BETTER DAY

A TRIBUTE TO THE FINE RED
CROSS SPIRIT THAT BURSTS
IN HOUR OF DISASTER.

By JAMES L. FISHER.

One hundred and two years ago, the Spanish town of San Antonio suffered as it did on the night of September 9, 1921, from the on-rush of flood waters. The old mission records show that in 1819, years before the struggle at the Alamo, San Antonio was swept by waters as high and relatively as destructive as those which have just occasioned a new display of both physical and moral courage on all hands.

Coming in the night, as is usually the case, difficulties in relief organization were many. Soldier and civilian, however, worked with such energy that at daybreak on Saturday plans were already crystallizing.

Most of those who suffered personal loss were Mexicans. They too, helped by maintaining a heroic calm throughout the tense moments, so suddenly thrust upon them. When they saw that the simple little shine with its suspended crucifix had been undisturbed in the midst of destruction, they marveled. With characteristic generosity those who had suffered least made way for flood victims, in some instance, orphans, in others, whole families.

Meanwhile, the American Red Cross was at work under able, local leadership. On the first day, hundreds of the Chapter's workers got back to harness and there they remained with the same spirit and energy that endeared San Antonio to tens of thousands of American soldier boys, who saw the Red Cross spirit so admirably exemplified by these same workers in the cantonment and demobilization days.

It is merely a tribute to the fine Red Cross spirit that I have seen burst forth so spontaneously in the many disasters with which Southwestern Division Chapters have had to deal in recent months.

Red Cross does mean something to our Chapter officers and members. They are the minute men and women

when works of mercy and permanent relief are needed, and not once have they failed to act promptly and effectively.

When Pueblo and La Junta were swept by flood the Chapters seemed almost to move forward with it. There Italians and Slav and Mexican and native Americans gained courage alike, as they saw the Red Cross in action.

The spring floods in Oklahoma, the recent flood at Hatch, a village within the jurisdiction of the Las Cruces, New Mexico, Chapter, and the two-hundred-mile-long cyclone which swept from Texas into Arkansas, all acted as the electric button in bringing scores of Chapters into action, just as has been the case in the present flood belt from Hearne to Taylor, to Bryan, to Georgetown, to San Antonio, Texas. Back of these have stood the other thousands of Chapters ready to furnish funds and supplies, if needed.

In the midst of bloodshed and fire the emblem of the Red Cross had right of way at Tulsa, Oklahoma, and even at this moment hundreds of negroes find temporary shelter under the tents that were supplied so promptly through the instrumentality of the Chapters there. One negro, well educated and a leader after describing how he and his wife had been ordered from their home while the fighting was still in progress, and how the several houses that he had gained ownership of through years of toil were burned to the ground, said that for a moment he wondered if his belief in God was justified, until he saw how white people, in the name of the Red Cross and under its emblem, worked to restore the broken bodies and minds of his people. This brought courage to him and to hundreds of his fellows and drove out the spirit of rebellion and revenge which could have led only to destruction.

The Red Cross is wide-awake. It lives and works throughout the land. Whenever and wherever the zero hour strikes, there Red Cross men and women spring into action and move with intelligence. It is these people, the

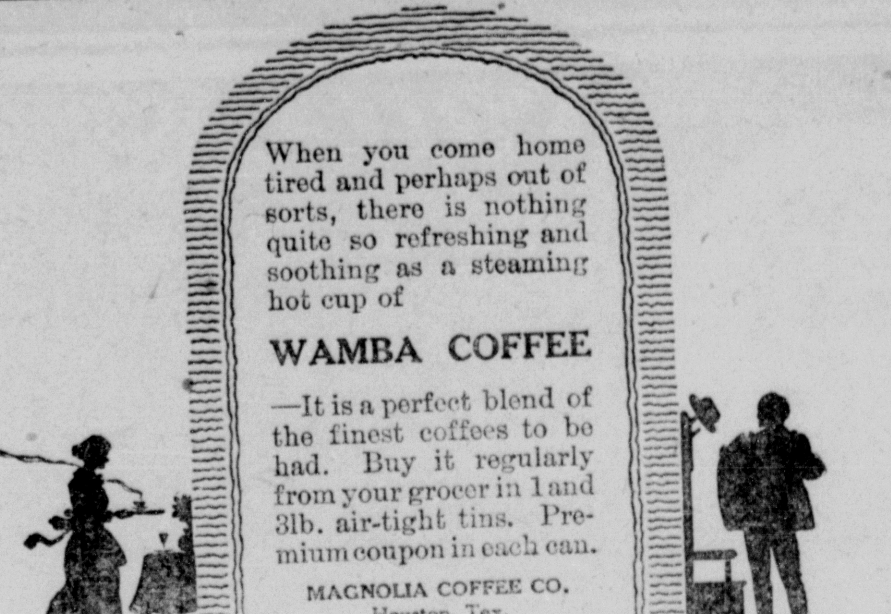

officers and members of our Chapters, who lead the Red Cross today. The division and National officers are their instruments, the cement that binds them together.

Disaster, with its dramatic suddenness, striking unexpectedly here today and there tomorrow, merely points out anew that our millions of Red Cross members, men and women and children, believe in this fellowship. The war-time spirit has found a new and continuing interest in an alert and effective and forward-looking Red Cross and makes for a better tomorrow.

WACO YOUTH GOES TO PRISON FACING 114-YEAR TERM

Dallas, Nov. 18.—One hundred

and fourteen years in the penitentiary. That is what is facing a Waco youth who was taken from the Dallas county jail to the State prison today. He is H. J. Riddle, 20, and son of a minister. He was convicted on a charge of murder in connection with the death of Mrs. Worley, housekeeper for another minister at Waco, several months ago and given ninety-nine years. Mrs. Worley was chloroformed. Later young Riddle was given fifteen years for assault on murder in connection with an attempt to break away from a Waco deputy sheriff. Riddle was brought here for safe keeping shortly after his conviction. Two other young men said to have been implicated in the murder of the woman have never been apprehended.

FORDSON

\$625 f. o. b. Detroit

For thirty-five years Henry Ford, a farmer's boy, has been working on the problem of a successful tractor for the farm, and for the past fourteen years has devoted much time and a vast amount of money to the development of the present Fordson Tractor. Today that Tractor is in use on nearly 200,000 farms and if you have any doubt as to the satisfaction it gives to those who are using it, call in and get the booklet, just issued by the Ford Motor Company, and called "The Fordson at Work" and read the testimony which is there given by the multitude of owners of Fordson Tractors. No evidence can be more conclusive than that of the man who actually knows by personal experience and this is the line of testimony carried in this little booklet. There is no cost for this booklet. If you cannot call for it, write, drop us a postal, and we will mail it to you without charge. It is so valuable you ought to have it because it is the open door through which the farmer will pass from the hard working drudge to the comparative comfort of the manufacturer. The Fordson makes it possible for the farmer to plan and direct, while the machine will do the work. It presents the widest latitude for the farmer to exercise his brain power and plan how he can get the most from the soil, knowing that the Tractor will do the hard work, do it better, do it quicker, and therefore do it more profitably. This means not alone in the cultivation of the soil, in the harvesting of the crops, but in a hundred and one different demands that are made for labor, cutting of ensilage and the filling of the silo, cutting of wood, operation of the washing machine, in the lighting of the house with electricity, supplying the house with running water, bringing to the farmer's wife and daughters the conveniences of the city, relieving them of much of the hard, unpleasant part of housework.

GLASS OF SALTS CLEANS KIDNEYS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it, 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

TURKEY PACKING PLANT HAS LARGE SLAUGHTER CAPACITY

MILAM COUNTY PRODUCE CO. BEGINS OPERATION OF MOD-ERN PRODUCE HOUSE.

With a capacity for slaughtering approximately 3000 fowls a day the turkey packing plant of the Milam County Produce Company is perhaps the largest in this section of the state. The plant was placed in operation last week, and the slaughter of turkeys begun for storage and shipment.

The company has erected on Santa Fe tracks near the McLane Company a modern plant, office and storage rooms. W. B. Skelton, secretary of the Commercial club and formerly with the Daugherty Motor Co., is manager of the new produce house.

The company will specialize in the purchase of turkeys, chickens, eggs and pecans, paying highest market prices and shipping in ear load lots to the markets of the east and north.

The marketing of produce in Cameron has become one of the largest money sources of the by products of the farm. Annually thousands of dollars is paid to the farmers. This market is available every day in the year and enables Cameron to exceed all Milam county towns in the handling of this produce. It is estimated that \$200,000 will be paid out this year for produce.

Grove's Tasteless Chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. Grove's Tasteless Chill Tonic is simply Iron and Quinine suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 66c.

You Do More Work,
You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a potent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 66c per bottle.

HER SUFFERING WERE TERRIBLE

Muskogee Woman Says She Was in Wretched Health Before Taking Tanlac—Feels Fine Now.

"Before I got Tanlac my health was so bad I could hardly hobble around my room, but now I'm in such fine condition that I take care of my housework without a bit of trouble," was the statement made by Mrs. T. J. Bequette, 305 S. Second St., Muskogee, Okla.

"About a year ago I had a severe attack of indigestion which I think effected my nervous system. Anyhow, my feet and limbs got in an awful fix. At first the nerves in my feet seemed to be dead, for they felt perfectly numb, and then my feet got

to hurting so bad I could hardly stand it, and the pains ran up into my hips and back. The way I suffered was simply awful, and the indigestion caused a terrible pain in my stomach and side that kept me feeling miserable all the time. I could scarcely be up at all and had to spend most of my time in bed.

"A friend finally advised me to try Tanlac, and I'm so happy over the good health it has given me that I advise every sufferer I see to try it. Why, it helped me right from the start, and I haven't had a sick day since I finished my fourth bottle. I assist my husband every day mounting and trimming photographs, besides doing all my housework."

"Tanalac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C.

Smith and in Burlington by the New Drug Store. adv

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up, the air passages of your head clear and you can breathe freely. No more hawking, snuffing, blowing, headache, dryness. No struggling for breath at night, your cold or catarrh disappears.

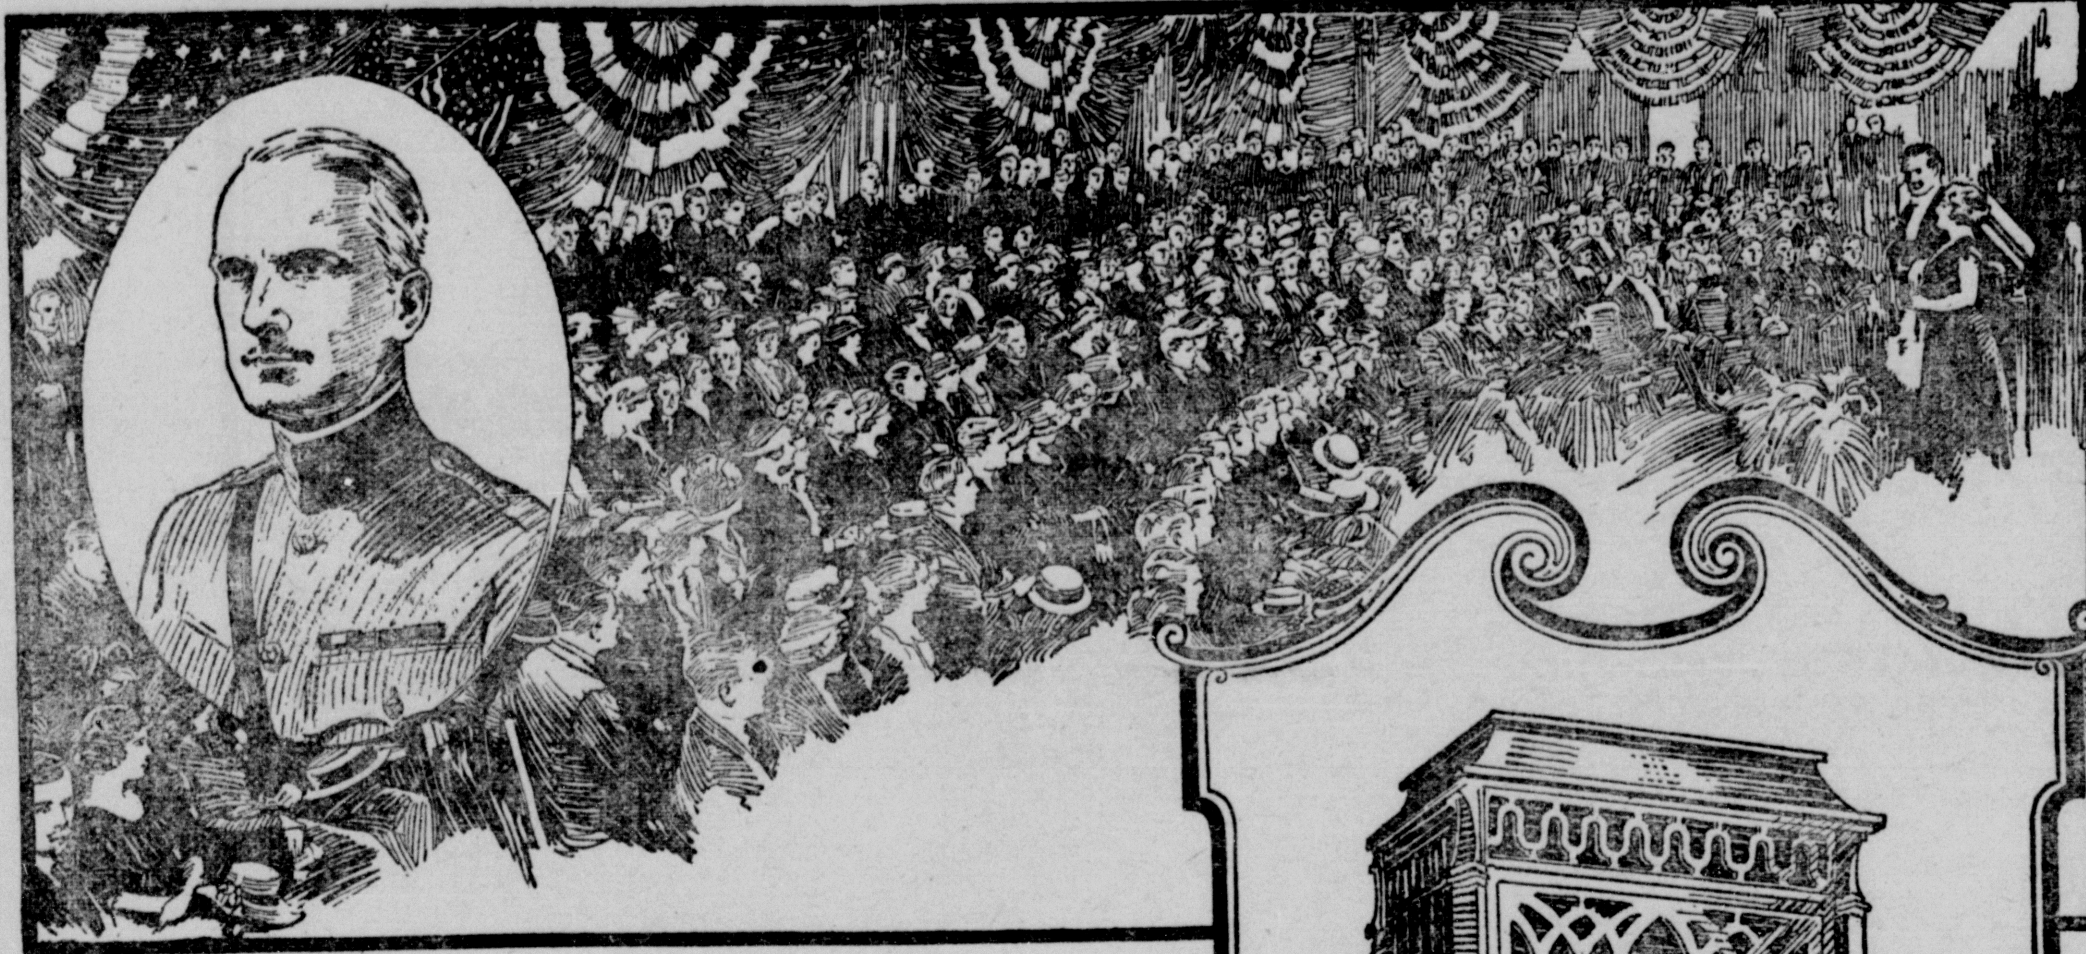

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with cold or nasty catarrh. Adv.

PHONES 129-280

This is Mr. Edison's Official Laboratory Model

It is the phonograph which the world uses today for all important musical events.

In a recent Broadway show, it supplied the off-stage music.

When the Prince of Wales visited this country, it played in his hotel suite.

The U. S. Post Office Department used it in its experiments with music for increasing the efficiency of mail clerks.

Dr. W. V. Bingham, Director of the Department of Applied Psychology at Carnegie Institute of Technology, used it in his experiments on the effects of music.

Harvard, Yale, Columbia, and many other universities used it in making tests of music's power to change human moods.

The Official Laboratory Model was chosen for all this work because it sustains the test of comparison with living artists,—and has therefore been accepted as the only phonograph which brings the true beauties and the full benefits of music.

The tests by which the Official Laboratory Model attained this recognition were continent-wide. Premier artists such as Case, Hempel, Muzio, Chalmers, Spalding, have compared their living performances with the RE-CREATIONS of those performances by the New Edison. These comparisons were made in famous auditoriums, such as Carnegie Hall, New York, Symphony Hall, Boston, etc. Thousands of people attended, including leading music critics. Newspapers such as the *New York Times*, *New York Sun*, *Chicago Tribune*, *Cleveland Plain Dealer*, *San Francisco Examiner*, published the facts of the Official Laboratory Model's triumphs. Even Bambochek, leading conductor of the Metropolitan Opera Company, acknowledged that he could not tell living music from RE-CREATED music.

Hear the Official Laboratory Model,—and you, too, will discover that Mr. Edison has made his phonograph a new and finer kind of instrument.

Compare it with other phonographs and talking-machines,—and you will discover that the Official Laboratory Model stands for new standards in home music.

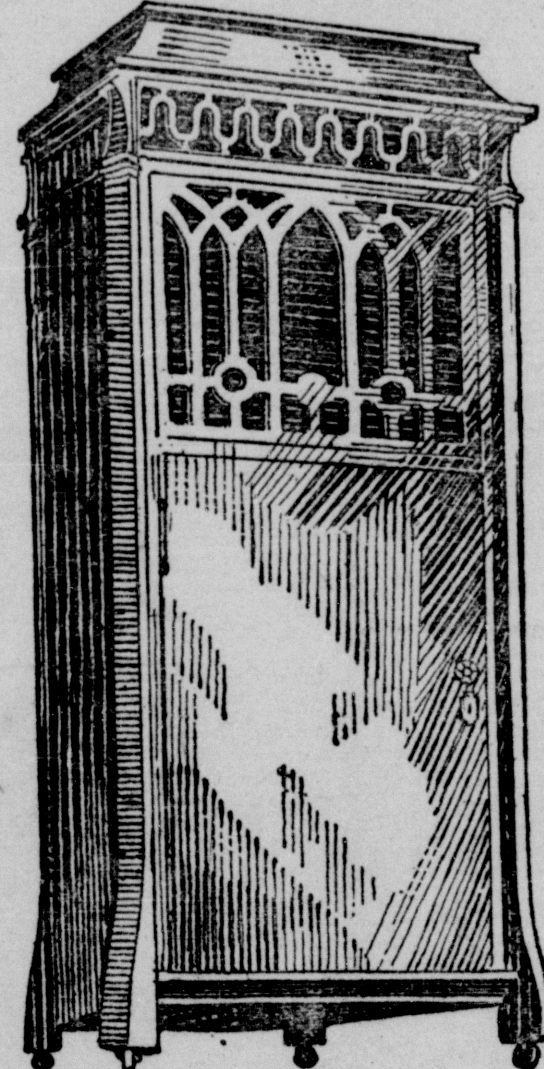

We cordially invite you to come in and hear the famous Official Laboratory Model.

The Test General Wingate Heard

—was made May 25th, 1921 in the 2nd Field Artillery Armory, Brooklyn, N. Y.,—before Reville Post No. 127, American Legion, and its friends. The illustration (from a photograph) shows Miss Helen Clark making the comparison which so impressed General Wingate.

General Wingate, who commanded the 52nd Field Artillery in its operations against the Hindenburg Line, said he could not tell Miss Clark's living voice from the Edison RE-CREATION of her voice.

[By LEE R. TAG]

Library Worked Over

Last week the library of Yoe High school was not in use for two days because of the fact that there were several students with the aid of Miss McLaughlin working to make this department of the school easily accessible to the uses of the student. Each book was marked and an envelope with a card was pasted in it also and whenever a student wishes to take out a book the card that is in the book must go on file and the student that has taken the book out is responsible for its return. The librarians are selected from the student body. Miss McLaughlin hopes that the students will take a pride in the library and use it and at the same time take the utmost care in keeping it up.

MAYSFIELD ITEMS.

The young people of this community were very much disappointed Friday afternoon when the north wind blew up which prevented them from going o'possum hunting that night.

J. C. Cockrell, Methodist pastor of this community, is attending conference this week. During his absence Mr. Cockrell's father is staying with Mrs. J. C. Cockrell and children.

Mr. and Mrs. J. C. Tyson and family motored to Port Sullivan Sunday afternoon and had a very pleasant trip.

Miss Eulalie Shuffield who has been attending school at Ennis, has returned home and will attend school here.

The Parent-Teachers' association met Friday afternoon, Nov. 18 at the school house. Several of the parents were present, but not as many as usual on account of the weather. They enjoyed Miss Carter's and Mrs. Burns' company very much and invite them to call again.

Mr. Chadwick and the inspector of schools visited our school Tuesday

Out for Thanksgiving.

School is out for Thanksgiving. Thursday and Friday is given to the students as they see fit. Wednesday afternoon a Thanksgiving program was rendered in the auditorium and was enjoyed by all. Services will be held this morning at the Presbyterian church and all of the students are urged to attend this service.

Often times the students and other people for that matter do not attach the true meaning to Thanksgiving. The majority of the people think it is a time of having a good time with no thought for anything else. In reality Thanksgiving is a time of real thanksgiving to our Master for the good things that He has given us. The student body of a school has more to be thankful for than anybody else.

which caused much work for the teachers and pupils, however, we don't regret it as we are in hopes of getting state aid.

Miss Mabel Tyson spent part of last week in Cameron visiting her sister, Mrs. M. D. Mosely.

Mr. and Mrs. O. F. Robinett spent a very pleasant evening in Rockdale Saturday.

Mr. Crews Bell and Mr. Elbert Hollingsworth were in Cameron Saturday.

Miss Mary Newton who teaches at Elmridge, spent the week end at her home.

Mr. and Mrs. Gross of this place motored to Branchville Sunday afternoon.

Miss Cornelia McGuire, primary teacher in the Ben Arnold school, spent the week end at her home.

The Ladies' Aid society met at Mrs. Eugene Barmore's Saturday.

After an enjoyable evening of quilting refreshments were served.

Mr. Harry Williams of Rockdale, was a visitor of Mr. and Mrs. Gross this week end.

Miss Naomi Pardo spent the week end at her home in Cameron.

The teachers of this school will attend the State Teachers' association at Dallas, therefore we shall have both holidays Thanksgiving which pleases every one.

Mr. J. C. Tyson was in Cameron Wednesday on business.

Mr. Leroy Massengale and Miss Irene Brashear shall debate against two of the Branchville high school school pupils, Friday night, December 1, at Literary society in Branchville at the school house on, "Resolve. That all immigrations to the United States should be prohibited for a period of two years."

NOTICE

Of First meeting of creditors in the District Court of the United States for the Western District of Texas, in Bankruptcy. In the matter of Ennis Carrolle Smith, bankrupt, No. 1462 in Bankruptcy.

To the creditors of Ennis Carrolle Smith of Milano in the county of Milam, and district aforesaid, a Bankrupt.

Notice is hereby given, that the 19th day of November, 1921, the said Ennis Carrolle Smith was adjudged Bankrupt; and that the first meeting of his creditors will be held at my office in Waco, Texas, on the 10th day of December, 1921, at 10 o'clock in the forenoon, at which time the said creditors may attend, prove their claims, appoint a trustee, examine the bankrupt and transact such other business as may properly come before said meeting.

This November 19th, 1921.

T. F. BRYAN,

Referee in Bankruptcy.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general Strengthening Tonic to the whole system. Nature will then throw off and dispel the worms, and the Child will be healthy and happy. The parent to take. 75c per bottle.

OAKDALE NEWS.

Nov. 21.—Will try to give you the news of two weeks as I was not able to write last Monday.

On Friday, Armistice day, the writer had business in Hearne and went to Milano to get a train and found every business house closed but the blacksmith shop. Went on to Hearne and found all houses closed there, but went to a friends home and spent the night pleasantly and next morning attended to business and came back to Milano. As the train was more than an hour late had to spend the night with Mrs. J. B. Newton. That night her daughter Miss Ruth had a party on, and there was a nice crowd of the young folks that came in and spent several hours very pleasantly. The young people were the B. Y. P. U. class of Miss Ruth's.

Friday, Armistice day the foot ball team of our school had a game with Summerville.

The past week end Mrs. Sterling Childress was with home folks at Waco, and this week end she and her sister Mrs. Shelton visited their father and mother here.

H. B. Pressley who has been near Dallas taking oil leases is at home with his folks at Hoyte. He will return soon. Mrs. Pressley has her mother Mrs. Moore to stay with her while Mr. Pressley is off.

Mr. and Mrs. Thomas Batey was at Rice to see her father Mr. Day.

We had news from Mrs. Turnham this week and she reports that she is well pleased with her new home.

Miss Marmore teacher at Hoyte visited home folks at Maysfield the past week end.

E. J. Fisher and son Frank went to Cameron today on business.

Mr. and Mrs. J. D. Link and two younger children, Buster and Cora May visited Eugene Hause Sunday. They also visited their father Sid Hause.

Marshal Carner was a Rockdale visitor Saturday.

Commercial Club

Roll call showed the following present: Officers: Robt. McLane, president, W. W. Chambers, vice president, W. B. Skelton, secretary.

Directors: J. W. Coleman, J. B. White, W. G. Gillis.

Committee chairmen: S. P. Cross, J. T. Parma, J. D. Dobbins, Dan Tyson, J. R. Hays, C. W. Lawrence, W. M. Cobb, F. S. Lesovsky. Minutes of previous meeting were read and upon motion adopted.

A letter was read from the Honorary club and the Blue Cross, two Mexican organizations, asking the members of the club to meet with them at the coming of the Mexican consul, who is to be here some time soon. Upon motion from J. B. White seconded by J. R. Hays a committee was appointed by the chair to represent the club at the above mentioned meeting. The president designated the membership and entertainment committee for this work.

J. T. Parma, chairman of the Civic improvement committee, suggested the removal of the cotton classing office from the court house lawn. The matter was discussed briefly and on motion from F. S. Lesovsky, seconded by S. P. Cross, the matter was left up to the civic improvement committee to make whatever disposition of it they saw fit.

J. R. Hays, chairman of the Entertainment committee reported the Armistice day celebration a success in every way and asked the club to make some disposition of a small deficit in the expenses of the day, as all the money left over from last year had been used up. On motion from W. W. Chambers, seconded by J. D. Dobbins, the secretary was instructed to pay this deficit out of the club treasury.

W. G. Gillis voiced his approval of making Armistice day celebration an annual affair by the club and told of the organization and good work of the Daughters of the American Revolution, under whose auspices the celebration was held this year and stated that he wanted to correct any impression that the latter organization was

one whose purpose was to make money.

J. B. White called attention of the club to the annual Red Cross roll call and suggested that the club should make a donation to this worthy organization, which donation, as explained by Chairman Gillis of the Red Cross, will remain in the county to be used locally. Upon motion from J. D. Dobbins, seconded by W. M. Cobb, the club voted to donate \$25.00 to this cause.

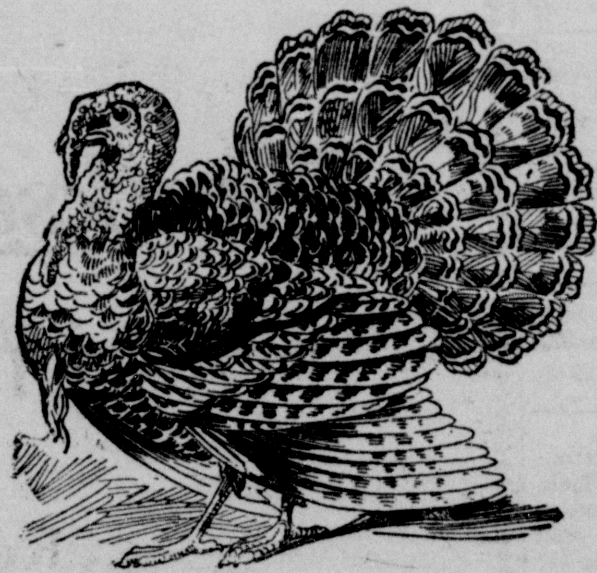

F. S. Lesovsky called attention to several grade crossings in the city which he declared to be in bad shape. J. T. Parma, chairman of the civic improvement committee reported these matters being looked after properly and stated there would soon be an improvement in conditions.

The subject of the Building & Loan Association came up for much discussion, the fact being brought out that the greatest impediment to the organization being that those who were financially able were urged to make a thorough canvass of the town and sell the stock. No further action was taken.

RURAL CARRIERS OF MILAM HAVE LARGE MEET AT CAMERON

An interesting meeting of the rural carriers of Milam county was held in Cameron at the postoffice Saturday evening with Charles Hawkins of Temple, president of the state association, present. The local association was reorganized with M. M. Arendall of Gause re-elected president, Edgar Wilson of Cameron, elected vice president and D. W. Key of Gause, chosen to succeed himself as secretary-treasurer.

Mr. Hawkins inspired enthusiasm in an informal address and was pledged the efforts of all present to make the Milam county association 100 per cent strong. Those present were unanimous in their praise of the present postal administration at Washington. Several meetings will be called during the year by the president. A banquet is being planned at which time it is hoped to get practically every carrier in the county to attend.

We are now open for business and want to buy your turkeys this season.

We have just completed one of the most commodious and up to date killing and dressing plants in Central Texas and have an expert poultry man with us to properly handle the turkeys as they come in. We are therefore prepared to give you the HIGHEST MARKET PRICE for your turkeys.

When HIGHER PRICES are paid, Milam County Produce Company will pay them.

We also want your Chickens, Eggs and Pecans.

Remember the place, the new building south of the ice factory and do not sell until you get our prices.

RED CROSS HELPED DURING FLOOD IN CENTRAL TEXAS

PREPAREDNESS, WATCHWORD OF THIS GREAT SERVICE ORGANIZATION

The Southwestern Division, so exceptionally hard-hit these last three years by disaster of various kinds, had a fine exhibition of Chapter preparedness in the recent Central Texas flood, according to information given out at the headquarters of the Southwestern Division at St. Louis.

When the Brazos River started rising and floods seemed imminent, the division disaster relief director was notified and as soon as it was found necessary to send relief, a night letter was sent to Chapters in the vicinity of the flooded district but outside of the flood area. The call asked for clothing principally, and in less than seven hours in one case and twelve hours in others, supplies were on their way.

Dallas replied at 4 p. m. following the call received in the morning, that clothing had been shipped. Waco not only responded to the first request, but sent a second supply of clothing. Houston sent 883 garments which had been cleaned and sterilized. Other towns in the adjacent territory sent more than their quota within the next two days, and the result was that by the time a sufficient degree of order had been created to look after the stricken inhabitants of the flooded area, there were supplies on hand sufficient to meet all the needs of the situation.

A feature of this wonderfully ready response, it is stated, was that all the garments sent were usable and were the type needed. This showed that the Chapters sending them considered the character of the disaster and the conditions of the people needing relief, making their contributions accordingly, and did not use the "hit or miss" method of collecting supplies so frequently seen in cases of similar catastrophes.

The towns contributing to this particular flood, the statement shows, in addition to those mentioned above, were Port Arthur, Jasper, Huntsville, Jacksboro, Greenville and Denton, Texas, and Okmulgee, Oklahoma. The latter sent its box of clothing containing seventy-five garments, voluntarily without waiting to be called on by the division office.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a result there is more or less stomach disturbance. CHILDREN'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then

Christmas Again
Christmas again, and hearts aglow
And songs and merry times;
New friends to make, old friends to greet
And over all the silver-sweet
Unchanging Christmas chimes.

A CHRISTMAS LEGEND

Crowing of the Cock to Keep Away Evil Spirits.

Tale of Saint Stephen, the First Martyr, Whose Day is December Twenty-Six.

EVER since that first Christmas eve the cock has crowed all night long on the anniversary to keep away evil spirits; for the cock is a holy bird and a knowing one. There is a pleasant tale of him and Saint Stephen, the first martyr, whose day is December 26, close by his dear Lord's.

Saint Stephen was King Herod's steward, it seems, who served him in the kitchen and at table. One night as he was bringing in the bear's head for his master's dinner he saw the Star shining over Bethlehem. Immediately he set down the huge platter and exclaimed:

"No longer, Herod, will I be thy servant, for a greater King than thou is born."

"What alleth thee?" cried the King wrathfully. "Do you lack meat or drink that you would desert my service for another's?"

"Nay," answered Stephen. "I lack neither meat nor drink. But the Child that is born this night is greater than all of us; and Him only will I serve."

"That is as true," quoth Herod, smiling the table with his fist, "as that this roast cock on the platter shall crow before us."

Hardly were the words out of his mouth when the cock stretched his neck and crowed lustily, "Christus natus est!" At this proof that Stephen's words were true, Herod was so angry that he made his soldiers take Stephen outside the walls of Jerusalem and stone him to death. And this is the reason why, unto this day, Saint Stephen is the patron of stone-cutters.—Able Farwell Brown, in Lippincott's Magazine.

Cleansing the Saucepan.

Here is a simple but most successful method of cleansing a saucepan in which milk has been boiled. After pouring out the boiling milk, quickly replace the lid before the steam has time to escape, and allow the saucepan to cool before taking it off again. Then put the pan in cold water to soak. It can be cleaned quickly and easily.

James D. Noe, seven feet tall and weighing 325, lost 25 pounds and his job in a recent campaign. He was tall but couldn't get into his stride in gathering the votes.

Sugar cane has become popular with Brooklyn boys, who make frequent trips to the docks where this commodity is being unloaded and taken

CALOMEL GOOD BUT TREACHEROUS

Next Dose May Salivate, Shock Liver or Attack Your Bones.

You know what calomel is. It's mercury, quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and oooooo laa cmfw mfw mf mfw should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Doodson's Liver Tonic for a few cents

Chas. W. Price

Licensed Embalmer
Lady Assistant

With Henne & Meyer Co.
Cameron, Texas

Night Phone 441. Day Phone 55

which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Doodson's Liver Tonic straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate. adv.

Thanksgiving

There is, indeed, much to be thankful for this year—both as a nation and as individuals. As a nation we should be thankful for the unquestioned unity of the American people.

As individuals we should also be thankful for the many blessings that have come to us in the past year, such as health, wealth and happiness.

GRANT LUMBER COMPANY

Cameron, Texas

The First Proclamation of National Thanksgiving Day

Whereas, it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and favor; and

Whereas, both Houses of Congress have, by their joint committee, requested me, "to recommend to the people of the United States a day of public thanksgiving and prayer, to be observed by acknowledging, with grateful hearts the many and signal favors of Almighty God, especially by affording them an opportunity peaceably to establish a form of government for their safety and happiness."

Now, therefore, I do recommend and assign Thursday the 26th day of November next, to be devoted by the people of these states to the service of that great and glorious Being who is the beneficent author of all the good that was, that is, or that will be; that we may then all unite in rendering unto Him our sincere and humble thanks for His kind care and protection of the people of this country previous to their becoming a nation; for the signal and manifold mercies and the favorable interpositions of His providence in the course and conclusion of the late war; for the great degree of tranquillity, union and plenty which we have since enjoyed; for the peaceable and rational manner in which we have been enabled to establish constitutions of government for our safety and happiness, and particularly the national one now lately instituted; for the civil religious liberty with which we are blessed, and the means we have of acquiring and diffusing useful knowledge; and, in general, for all the great and various favors which He has been pleased to confer upon us.

And also that we may then unite in most humbly offering our prayers and supplications to the great Lord and Ruler of Nations, and beseech him to pardon our national and other transgressions; to enable us all whether in public or private stations, to perform our several and relative duties properly and punctually; to render our National Government a blessing to all the people by constantly being a Government of wise, just and constitutional laws, discreetly and faithfully executed and obeyed; to protect and guide all sovereigns and nations (especially such as have shown kindness to us,) and to bless them with good governments, peace and concord; to promote the knowledge and practice of true religion and virtue, and the increase of science among them and us; and, generally, to grant unto all mankind such a degree of temporal prosperity as He alone knows to be best.

Given under my hand, at the city of New York, the 3rd day of October, A. D. 1789.

GEORGE WASHINGTON.

THROUGH THE EYES OF THE ENGLISH DEPARTMENT OF YOE HIGH SCHOOL.

THANKSGIVING DAY.

Thanksgiving day was first celebrated in America, in 1621, exactly three hundred years ago. The Pilgrims in New England, feeling a desire to thank God for His blessings to them in bringing them safely to this country, so they might enjoy civil and religious freedom, and for their deliverance from great perils on sea, while on their way, and on land after their arrival in America, established this day of thanks.

During and after the Revolutionary war our forefathers desired a day of thanks; and from 1863 to the present time the President has appointed a regular day, the last Thursday in

November, for all the American people to turn their hearts to God to give thanks for His goodness and mercy to us, for the blessing of liberty and freedom, and for our great democracy.

This year we should especially give thanks for we seem about to open the door of universal peace, harmony, and good-will among nations. If the great disarmament conference continues as it has begun, we will have led the world to a happier condition, not only for ourselves but for all nations as well, and our leaders will shine forth in strength though in humility.

Let us therefore give thanks to God.

BILLY HEFLEY, Sophomore.

MARSHAL FOCH IN HOUSTON TUESDAY, DEC. 8th.

Houston, Texas, Nov. 22.—South Texas will be given an opportunity on December 8 at Houston of seeing and hearing Marshal Foch, generalissimo of the allied armies during the world war. He will be the guest of the Houston Post of the American Legion, the Houston Chamber of Commerce and the city of Houston.

The Chamber of Commerce, and the city of Houston extend a cordial invitation to all citizens of the south section of the state to come to Houston and join with local citizens in making the marshal's visit a memorable occasion. More definite information will be given later.

WHY EDITORIALS?

Why are editorials? What are editorials?

Editorials probably came into existence because newspaper people are human and want to express their views. An honest paper tries to keep its personal bias out of reports of the news so far as is possible. In the editorial columns it is at liberty to say what it thinks about events as reported in the news. After all the Fourth Estate has as much right to opinions and to the free expression thereof as any of the first three, says the Palm Beach Post. The fact that people read editorials justifies their being,

CREAM CLEARS A STUFFED-UP HEAD

Instantly Opens Every Air Passage—Clears Throat

If your nostrils are clogged and your head is stuffed because of nasty catarrh or a cold, apply a little pure, antiseptic cream into your nostrils. It penetrates through every air passage, soothing and healing swollen, inflamed membranes and you get instant relief.

Try this. Get a small bottle of Ely's Cream Balm at any drug store. Your clogged nostrils open right up; your head is clear; no more hawking or snuffling. Count fifty. All the stuffiness, dryness, struggling for breath is gone. You feel fine.

THE SANTA PARTY

How Lots of Christmas Fun May Be Had by Boys' Club.

Each Lad Provides One Present, Made by Himself, for Old Kris Kringle's Bag.

THE biggest boy in the club should be the Santa Claus. To dress him up, borrow a bath robe, and trim it round the collar and cuffs with some old fur. A big fur cap is the thing for Santa Claus' head, and a great big bag should be provided for him to hang over his shoulder to carry the presents in. A paper mask for Santa can be bought at some small store for about twenty cents, and a big beard can be made of excelsior, tied up so as to stay in place. If the excelsior can be dyed gray all the better.

Each boy in the club should provide one present for Santa's bag. It would be better if each boy should make the present himself. Good things for such presents are bean bags, baseballs, bats, shiny sticks, tops, marbles, short wooden swords, slings, putty blowers, jew's-harps, soap-bubble pipes, jack-stones, match-afes, candy, chewing gum, and so on.

All the presents for the Santa Claus party should be handed to a committee of three knights, whose duty it is to pack them all neatly in Santa Claus' bag. At the time of the party, the members of the club should gather together in the meeting room, and the committee may meet in a room near by with the big boy who is to be Santa Claus. They must dress him up and escort him to the club. When Santa comes in all will rise, and the president will say:

"Greeting, Santa Claus; the boys await you."

Santa may reply, "Greeting, my children."

Then Santa passes out the presents. It is best for the boys to form a line, and for Santa to reach in the bag without looking and pull out the first thing that comes to his hand.

The last present in the bag is Santa Claus'. A good deal of amusement can be had at the party if a committee of five boys is chosen to look after the entertainment. A good plan is to get up shadow pictures. A sheet is hung up near one end of the room, about five feet from the wall. Behind the sheet, close to the wall and low down, is placed a strong light. The knights and others who are to be the audience all sit in front, and when everything is ready all lights except the one behind the sheet are put out. The boys who are to make the shadow pictures then go between the light and the sheet

possible, but it is not the law and the prophets.

The best service it can perform is to

IT'S HEALTH!

Let our Hot Cross Buns add to your food satisfaction around Easter time. They are as delicious as the pastry and the bread that have made this bakery famous. Leave your order early and make sure that you will be supplied.

stimulate thought. If it can prove a point by statement of chapter and verse, if it can turn up an important sidelight that reveals a new angle of a problem, if it can inspire active interest in a subject of importance, if it says something, it is a good editorial and has fulfilled its purpose.

Eloquence and style are precious, but the substance is essential. In short an editorial is the result of thought designed to instigate thought. None of which alters the fact that people will continue to like editorials expressing their point of view and to disapprove those with which they do not agree. If they were wise they would follow the papers' example and do their own thinking, reading editorials as possible lighthouses to point out a danger spot or a change in the course.—The Fourth Estate.

There's only one thing that stops hair from growing on bald heads, from making short men tall and fat men sylph-like and that is a perfect endocrine system. This is according to the statement of a New York physician at a meeting of the Pennsylvania Medical society. The endocrine system which consists of secretive glands is still a secret from medical science.

The new resident in Brooklyn is promptly canvassed by florists who wish to sell him a rubber plant—on the plea that no Brooklyn home is complete without one.

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. A Very Pleasant to Take. 50¢ per bottle.

A circus acrobat was about to be declared legally dead in Elizabeth, N. J., when he arrived at his sister's home there. He said the reason he had not written in eight years was that he had nothing special to tell her.

One hotel man, who has a summer resort at Uniontown, Pa., and a winter resort in Florida has banned dances in his hotel on the grounds that they attract "only vampires and bootleggers."

SOCIETY and Club

By MRS. W. A. GILLON

FORTY-TWO CLUB.

At Thursday afternoon Mrs. Geo. Graves was hostess to the ever popular forty-two club.

The home was decorated in red winter berries in great profusion. Six tables were arranged with beautiful tops with embroidered figures on them, the work of the clever hostess.

In suggestion of the Thanksgiving season score cards featured the necessary turkey and games were scored with turkeys and Thanksgiving fruits. After a number of spirited games the hostess assisted by Mrs. John Mangum served a delicious salad and ice course from beautifully hand embroidered luncheon sets. This course consisted of combination salad in molds, sandwiches, pickles, wafers and pineapple ice.

Those present other than club members were: Mesdames Hilry Steadman, Frank Henderson, Buck Lewis, Preston Graves, Walter Sharp, Frank Lesovsky, Tom Law, of Waco, C. W. Reed and Misses Amy Wade of Belton, Miss Curtis of Brenham.

MR. AND MRS. GEORGE GRAVES ENTERTAIN.

Last Friday evening Mr. and Mrs. George Graves entertained eighteen couples at a luncheon followed by an interesting game of forty-two.

Master George Graves Jr., assisted his mother in a courtly manner throughout the evening, receiving, passing cards and serving. The home was gorgeously decorated in red winter berries and yellow citruses, arranged artistically everywhere.

On entering the guests found their places with turkey place cards around tables with yellow chrysanthemum bouquets on each. From these a delicious two course luncheon was served by Mrs. Graves, Mesdames Preston Graves, Wylie Mangum, John Mangum and Master George, Jr.

The following was the menu:
Chicken Salad Wafers Sandwiches
Sliced Tomatoes, Olives Pickles
Hot Biscuit Butter Jelly
Nuts in Turkey Cases
Hot Coffee
White Cake Ice Cream in Turkey design.

After lingering over this delicious repast for awhile score cards in turkey design were passed and a number of interesting games played.

The men as well as the ladies enjoyed a good game of fortytwo and all had a merry time.

GET-TOGETHER MEETING

Last Thursday afternoon the ladies of Circles Nos. 3 and 4 of the Baptist church were entertained by Mrs. Tom Henderson, Sr. There were twenty-seven present. The home was made bright and cherry in roses and ferns. Five tables were arranged and a unique contest on Bible names prepared. Envelopes with three sizes of the alphabet were distributed from which Bible names were made. Mrs. Wm. Henderson made twenty seven names.

Next Mrs. Henderson gave out verses from the Bible with which to build a house. It is said "that there is nothing new under the sun," and this contest with others to follow will well prove the saying true. They read their verses and constructed a house from its foundation to roofing—all words found in their verses.

At their next meeting Mrs. Henderson says they will lay off the grounds, plant the garden and flowers.

Several of the circle ladies contributed five kinds of sandwiches, coconut cake and Mrs. Henderson made delicious hot tea and the ladies had an enjoyable time.

BIRTHDAY PARTY.

Last Saturday afternoon little Miss Hortense Turner celebrated her seventh birthday.

The house and table and beautiful white birthday cake were decorated in the approaching Xmas colors.

About twenty little class mates and neighborhood children were invited and all brought pretty presents, dolls, handkerchiefs, hair ribbon, doll trunk, perfume and many other things to bring birthday joy to the heart of a little girl.

Games were played until time to cut the birthday cake with seven burning candles on it. The ring fell to Ola Wharton, the thimble to May Griffith, the button to Corine Casey, and the dime to Sara Turner.

Mrs. Tom Jeter helped Mrs. Turner who served delicious hot chocolate, cake and candy.

KILKARE SIGMA PHI.

Mrs. C. W. Read was hostess to the Kilcare Sigma Phi club Friday afternoon in honor of her sister, Miss Lena Curtis of Brenham, Amy Wade of Belton and the reception suite.

Five tables were arranged and the afternoon spent in playing forty-two. Score cards were summer girls.

After the games delicious congealed fruit salt, nut bread sandwiches, wafers and hot tea was served. Guests other than members were: Misses Curtis of Brenham, Any ade of Belton, Jewel Joslin, Susanah Jackson and Mrs. Tom Law of Waco.

METHODIST MISSIONARY.

About thirty ladies gathered at the parsonage with Mrs. Key for a missionary study of Korea from their Missionary Voice. After the study led interestingly by Mrs. Leland Green, Mrs. W. O. Triggs discussed the disarmament, taking as a special theme Woman's Part in the Disarmament.

BAPTIST AUXILIARY.

Circle No. 1 met with Mrs. E. A. Flynn with nine present. Mrs. Flynn led an interesting lesson Enlistment from their Royal Service.

After the lesson Mrs. Flynn served a delicious pimento sandwiches, fruit salad and hot tea.

Circle No. 2 met with Mrs. Leath with fourteen present.

Mrs. A. N. Green led a splendid lesson from Royal Service on Enlistment. Delicious sandwiches and tea was served.

Circle No. 3 met with Mrs. J. G. Vest with eleven present. Mrs. Vest led an enthusiastic lesson from the Royal Service on Enlistment.

Circle No. 4 met at the church with six present. Miss Winnie Henderson,

their leader conducted a profitable Bible study.

RALLY DAY EXERCISES

The Presbyterian ladies held an interesting Rally day exercise at the church Monday afternoon at 3:30 o'clock. The church was decorated beautifully and brilliantly with red winter berries, red geraniums and red autumn leaves.

Different departments were roped off with red berries for the different circles and Circle No. 1 had the most present, twelve.

About fifty of the ladies' listened to the following interesting program with their president, Mrs. Graham Gillis introducing each with an appropriate speech. The subject was "Temple Building."

Hymn—Foundation.

Prayer—That Christ be the Foundation, Mrs. Henry McFadyen.

Piano Solo, Mrs. Jeff Avra.

Scripture—Psalm 122, Mrs. Frank Lesovsky.

Responsive reading, all.

Prayer—That half million loan fund be raised, Mrs. Mary Henderson.

Hymn—Where Cross the Crowded Ways of Life.

Serving by building pageant, company of ladies.

Poem, Mrs. Judd Davis.

Vocal Solo, Mrs. C. W. Read.

Offering taken up, Mesdames C. W. Lawrence and Will Ford.

Prayer—Advancing the Kingdom, Mrs. Lon Myers.

Hymn, all.

A social hour followed in which the ladies served chicken salad sandwiches, pickles and hot tea. Plate favors were sprigs of red berries.

Collection for the afternoon was \$38.

B. Y. P. U.

The Junior B. Y. P. U. entertained their parents quite nicely at the Baptist church last Friday afternoon. The rooms were decorated with ferns, cut flowers and yellow and white streamers artistically arranged.

The center table had a boat, the Mayflower, made of a pupkin, and at each end of the table were vases of cut flowers. Mrs. Skelton is their leader and was ably assisted by Mrs. John Hays. The following program was well rendered.

Reading—If I were a boy, Corrie

Collier.

Piano Solo, Cornelia Gunn.
Reading—When Lights Go Out at Night, Helen Blaylock.

Piano solo—Bethel Middleton.
Reading—Coquet Conquered, Vance Collier.

Contest—Turkey Guessing games.
Reading—Jane, Dorothy Blaylock.
Song—The Rosary, Inez Evans.
Reading—Audellia, Harriette Flynn
Song—B. Y. P. U. Workers, B. Y. P. U.

Piano Solo—Cornelia Gunn.
Contest—Thanksgiving Pie.

Other games were played after which the young people served delicious chicken salad, crackers, sandwiches and hot tea. Plate favors were hand painted turkeys, painted by Cornelia Gunn.

MRS. TOM LAW HONORED.

Saturday afternoon Miss Clara Thomas entertained the Kilcare Sigma Phi club in honor of her sister Mrs. Tom Law of Waco.

Needle work was the diversion for a while after which an observation contest was held. A large table of articles were displayed and the guests given a limited number of minutes in which to observe the articles, and then a given time to write from memory all they could. Miss Olive McGehee proved herself holding the best memory and was given the corsage bouquet of artificial flowers.

Mesdames Alex Triggs and C. W. Read, added to the pleasure of the guests by singing solos.

Delicious fruit salad, wafers, hot chocolate and home made candy was served.

BRIDGE CLUB.

Mrs. H. F. Smith Jr., was hostess Tuesday afternoon to the bridge club at the home of Mrs. Rush Thomas. Cut flowers and ferns made a pretty setting for the party. Score cards featured the Thanksgiving turkey.

Three tables were arranged and the usual number of games played. At the close Mrs. Giles Avriett was declared winner and was given a hand made handkerchief, while Mrs. C. W. Read was consoled with a deck of cards. Mrs. Smith assisted by her sisters, Mesdames Thomas, Smith, served a delicious thickened salad, cherry

salad, cheese balls, sandwiches, olives and ice tea.

Those present other than club members were: Mesdames C. W. Read, S. A. Cottle, Misses Beth Jeter and Mary Lake Henderson and Mrs. James Watson came in for the aftermath.

HISTORY CLUB.

The History club met with Mrs. Graham Gillis Tuesday afternoon. Mrs. W. O. Triggs was leader. Mrs. Ben Atkinson discussed the work of the Disarmament up-to-date.

Mrs. E. A. Wallace talked on Woman's part in the disarmament.

Mrs. Tom Henderson, Sr., gave the newspaper reviews of a speech made by President Harding in Birmingham a short while ago.

Next meeting will be with Mrs. Tom Henderson with Miss Ada Henderson leader.

Guests of the afternoon were Mrs. Will Ledbetter of Dallas, and a former member of the club, and Miss Amy Wade of Belton. Mrs. Gillis served sandwiches, pickles and hot tea.

Greenland was discovered and named about the end of the 10 century by there.

Prisoner Attempts Jail Breaking With Case Knife

A case knife converted into a saw was taken from Dupree Poe, prisoner in the county jail early this week by Deputy Sheriff Dan Gunn, and Sheriff L. L. Blaylock.

Poe was arrested in Houston two weeks ago in connection with the Thorndale burglary and is being held for investigation.

The prisoner had attempted to saw his way out of the cell with the knife-saw.

"Marked back cards offered for sale in City Hall park, New York, recently, almost caused a riot among the would-be purchasers.

"I'm de strongest of de buch. If you don't believe it just hold my coat," was the statement that secured one boy a job when twenty responded to the ad of "Strong Boy Wanted."

One manufacturing plant has installed a chewing gum stand for the benefit of its girl employees.
